

LIVERPOOL JETS SWIM CLUB

COLLEGE CONNECTION

REGISTRATION FORM

In addition to providing a quality training atmosphere to our age group and high school athletes, the Liverpool Jets Swim Club is also dedicated to assisting collegiate athletes reach their training goals while they are home for the summer or for holiday breaks throughout the year. Having college swimmers attend our Senior/Junior training sessions not only benefits themselves, but it also enhances the experience for our high school swimmers as they learn from their experience as they train alongside each other. With all of this being said, it is the goal to reward college swimmers with an opportunity to train at a reduced cost.

Who is eligible: Once an athlete has begun their first semester of college and are involved in competitive swimming, they may take advantage of the Jets College Connection training program.
