

2018-2019 Liverpool Jets Swim Club Registration Night Questionnaire

Athlete(s): _____ **Shirt:** Youth-Med Youth-Lg Adult-S Adult-M Adult-L Adult-XL

As a bonus, team shirts are being given to those athletes that register by Friday, September 28th. The team shirts are made possible by a grant from Niagara District. These grants are a result of the Liverpool Jets Swim Club's continued support in recruiting/certifying officials, traveling to championship meets, and having a significant portion of our team qualify for IMX designation. Way to go JETS!

Credit Cards - We have the ability to setup the use of credit cards as a means of handling dues and monthly account balances. In order to utilize that service, the club would have to incur several fees...roughly \$4000-\$5500 per year depending on how much money is collected through the process (it's a percentage of funds collected). A few options to consider...

- Yes - it'll make life easier - raise dues \$35 per athlete to cover it.
- Yes - it'll be easier - raise the dues of only the athletes that use credit cards \$50 to cover costs.
- No - checks and cash are fine.

Liverpool JETS Mentor Program - While experience is the best teacher, we would like to establish a mentoring program within the Liverpool Jets Swim Club for new families. A "Mentor Family" would provide a friendly face and a phone number to a new family as they get acclimated to the competitive swimming experience. Is this something you would like to do?

- Yes - great idea and we'd be interested in being a Mentor Family (*minimum experience: 2 years with club*)
- No thanks - great idea but we're just newbies at this right now too.

Greater Syracuse Invitational - The Liverpool Jets hosts the Greater Syracuse Invitational on the weekend before Thanksgiving. Annually, it turns out to be one of the most well-attended and successfully organized club competitions in the area. In addition to creating wonderful competitive opportunities for their swimmer, parents often see this as a time to lend a helping hand to the club. Funds raised from this event go towards covering the costs of the "events" that we have throughout the year. When the meet entries open up for the athletes on-line, so will the opportunity for you to sign-up for a position. Please check which portion of the meet you are interested in assisting with (check **all** that may apply):

- Clerk of Course/Deck Marshall/Awards
- Back-up Timing
- Event Set-up
- Officiating/Timing Table

July Travel to AAU Nationals - Travel meets offer a unique experience for our athletes and families. From July 25th-28th, the AAU National Championships will be hosted in Greensboro, NC. This 4-day meet brings in athletes from throughout the country for a prelims-finals meet. In addition, several other sports have their AAU Championships in the same location at the same time - creating more of an "Olympic" feel - similar to the way the old Empire State Games used to be. The cut times are similar to our Niagara Silver meet. This meet would replace our attendance at the Niagara Long Course Championships in Buffalo. We are looking to gauge the interest of the membership as we began to prepare. Families would be responsible for their athlete's travel arrangements. *Which of the following best describe your family?*
