

What to do if your BlueFins swimmer tests positive for COVID-19

Initial Notification:

If your swimmer has tested positive for COVID-19 and attended practice either of the 2 days preceding the first onset of symptoms, please contact our head coach at headcoach@wsabluefins.com or 585-230-4530 immediately with the following:

- BlueFins swimmer(s) that tested positive (required).
- Date of first symptom onset (required).
- Date of positive test (required).
- Date(s) the swimmer attended practice between the 2 days preceding the onset of symptoms and the current date (required).
- Practice group of swimmer (required).
- Names of teammates with whom the affected swimmer remembers swimming in the same lane(s) on the above dates.
- Names of teammates with whom the affected swimmer remembers swimming in the adjacent lane(s) on the above dates.
- Names of teammates that may have traveled to or from practice with the affected swimmer on the above dates.
- Any other teammates or coaches with whom the affected swimmer may have had close contact at practice when not wearing a mask on the above dates.

Follow-up Notification / Return to Practice:

It is the responsibility of the family to identify to the head coach when the affected swimmer's isolation will end and receive clearance prior to returning to practice.
