ENTRY

DEADLINE:

Entries must be **received** no later than December 21, 2012.

All entries will be entered in the order received, regardless of LSC affiliation, as space allows. Berkeley Aquatic Club must adhere to NJ Swimming's four hour per session limit. Entries will not be accepted after December 21, 2012.

1. Entries will not be considered complete unless the waiver form is received. In accordance with the New Jersey Swimming rules, a non-refundable entry fee of \$6.00 per Prelim/Final Event, \$5.00 per Timed Final Event, \$8 for each 800 or 1500 and \$9.00 per relay event must accompany the entries.
2. *Make checks payable to "Blue Streak Aquatic".*

MEET FORMAT WAIVER:

The host club has the right to change the format of the meet with the approval of the sanctioning chairman and age group or senior chairman. These changes would be made for a more efficient swim meet for the swimmers and the host club. Reasons for these changes include: to allow more swimmers to swim; to conform to facility capacity limits or for facility safety concerns; to condense the meet into smaller time frame.

INTERNET WEBSITE

POSTING:

Meet information and Hy-Tek event lists, one with time standards for New Jersey LSC teams and one with time standards for non-New Jersey LSC teams, importable into Team Manager, will be posted on the Berkeley Aquatic and New Jersey Swimming websites:

www.berkeleyaquaticclub.com and www.njswim.org

Psych sheets will be posted on the website no later than the Tuesday before the meet. Session by session results will be posted at the end of each day and final results, in HTML and Word format will be posted by 5 p.m. the Monday following the meet. A Hy-tek file of results, including splits, will also be available on the website. Berkeley Aquatic provides all timers and there is only one warm up session, so no warm up or timing schedule will be posted.

Any changes to the meet format or schedule will be posted on the websites.

MEET REQUIREMENT

STATEMENT:

In order to be eligible for the New Jersey Zone Championship Team or for NJ Swimming Athlete Reimbursement for sectional and national level meets, NJ Swimming policy stipulates certain participation requirements.

As a NJ Swimming sanctioned meet, this meet counts towards those participation requirements.

Note that the times achieved at this meet may be used to qualify one for the summer LC Zone meet. However, participation in this meet does not count toward the sanctioned summer meet participation requirement for the NJ Swimming summer LC Zone team.

COACHES:

All coaches “on the deck” must be registered with USA Swimming and be current Members of USA Swimming. Coaches must show coaching card with background check validation for entrance to facility. Coaches must show coaching card before picking up any meet information or scratch sheets. Coaches must have coaching card visible at all times while on deck and when entering the hospitality area.

OFFICIALS:

Participating clubs are requested to provide as many USA-S certified officials as possible. Please email Eric Schott at Eric.Schott@timewarner.com to volunteer. Please include the days and sessions you are able to work. Officials working any session of the meet must present their 2013 Swimming Officials’ credentials, as well as their 2013 USA Swimming membership card: (1) to admissions when entering the building and (2) to the Meet Referee on deck; otherwise, admission will be charged and the Official will not be eligible to work the meet.

BAC has applied to have this meet designated as a “qualifying meet” under the national officials certification program. Any official interested in being evaluated should contact Sarah Levine sarlevine@aol.com to apply for evaluation. Details on national certification can be found on the USA Swimming website.

**SWIMMER
ELIGIBILITY:**

Swimmers must be USA-S registered (or other FINA member) in order to compete in this meet. All swimmers must be listed in the team’s official entry file in order to participate in the meet, **including relay only swimmers**. Any transfer swimmer(s) must swim unattached for 120 days from their last competition. Please enter them as a separate team named: XXXUN where XXX are the first three letters of your team abbreviation. Entries for swimmers without valid current USA-S registrations will not be entered in the meet. NJ Swimming performs a registration check a few days after the official deadline and ineligible swimmers will be notified at that time.

All swimmers must meet the attached time standards. Times converted from Short Course times are allowed.

All swimmers are limited to a maximum of 3 individual events + 1 relay per day

Age group is determined by the swimmer's age on Friday, January 11, 2013.

Swimmers entered in more than three (3) individual events in a preliminary or timed final session and who fail to scratch down to three or fewer events before the check-in/scratch deadline established for the session will only be eligible to swim in the first three (3) chronological events for which the swimmer was entered in that session.

SWIMMERS
UNACCOMPANIED
BY A USAS
CERTIFIED
COACH:

Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. If a swimmer is not accompanied by a USA Swimming member coach, then it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

USA SWIMMING DECK CHANGE POLICY:

Except where venue facilities require otherwise, changing into or out of swimsuits other than in locker rooms or other designated areas is not appropriate and is strongly discouraged.

SCRATCH RULE:

For Senior Finals, the Scratch Rule for Championship Finals, as specified in the New Jersey Swimming Policy Handbook, will be followed. In addition, a \$50 fine will be imposed for those failing to show up for Sunday night finals. Please note that we will accept intents to scratch as specified in the in the policy.

AUDIO VISUAL RULE:

Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms.

MEET FORMAT:

This meet will be run in accordance with current USA Swimming rules.

All Age Group events will be swum as timed finals. Senior individual events, with the exception of the 800 and 1500, will be a trials and finals format with bonus, consolation and championship finals (fastest 24

swimmers from preliminaries) held in the evening session. The 1500 and 800 will be swum as timed finals with the fastest heat swum in the evening with Finals. The remaining heats will be swum fastest to slowest, alternating heats of men and women.

Teams are limited to 2 relays per event. All relays are timed finals. The top 16 seeded relays after positive check in will be swum at night. All other heats of relays will be run at the end of the preliminary session prior to the 800 and 1500 Freestyle heats.

There will be positive check in for relays in the control room. Relays that want to be swum only in the morning sessions must note that on the positive check in sheet not more than a half hour after warm ups end

WARM UP

PROCEDURES:

All teams will warm up at the same time. Lanes will not be assigned. Circle swimming will be in the counter clock wise direction. Entry shall be from the starting block end of the pool and must be feet first entry. At the Meet Referee's discretion, Lane 1 may be designated a pace lane and Lanes 6, 7 and/or 8 may be designated one way lanes. Relay starts may not be used. Swimmers may not exit or enter from the bulkhead end of the pool. The warm-up will be conducted in accordance with New Jersey Swimming Warm up Policies.

ENTRY TIMES:

All entry times must meet the attached qualification times. Please note that there are two separate qualification times for the distance events, one for members of the New Jersey LSC and one for everyone else. Times may be converted from short course times but must be entered as meter times.

CHECK-IN:

All check in sheets must be turned into the control room 30 minutes after the start of warm up. Swimmers who are present and swimming will have lines through their names. Swimmers who are being scratched will have their names circled with "SCR" next to the circle. Swimmers scratching a

single event will have a line through their names and the event number circled with “SCR” next to the circle. Please use a simple line, not a scribble, so that the name can still be read. Failure to follow this procedure will result in the swimmer(s) being scratched from the session. See above for information on positive check in for relays.

**DISTANCE
EVENTS:**

The Senior 800 and 1500 freestyles are timed final events and will be limited to the fastest 24 entries unless time permits more heats to be swum. The fastest heat of each event will be swum in the finals session. The remaining 2 heats (and any additional heats) will be swum fastest to slowest, alternating heats of women and men, at the end of the preliminary sessions on Saturday and Sunday. Swimmers in the 800 & 1500 must provide their own people to count but Berkeley Aquatic will provide all timers.

Swimmers who enter these two distance events must prove their qualifying time by listing date and name of meet on the entry form. There are two cut-off times for the 800 and 1500 freestyle. Non-New Jersey swimmers must meet or better the faster cut-off time.

**HEAT LIMITED
EVENTS:**

The 800 and 1500 are limited to 3 heats (24 swimmers), unless time permits more heats to be swum. That decision will be made the day of the meet, after scratches. Psych sheets will be posted on www.berkeleyaquaticclub.com. If the meet director suspects that the number of heats will be limited, she will contact all the clubs with swimmers entered in the distance events by email, not later than the Tuesday before the meet. In the event that Berkeley Aquatic Club limits the number of heats of the distance events and some swimmers who have previously entered are not allowed to swim, entry fees will be refunded at the control room after the distance event is seeded and heat sheets posted.

RELAYS:

Teams may enter no more than 2 relay teams per event.

All relays must have the correct four names listed on the relay card in the correct order for that relay to be eligible. Coaches must turn in relay cards no later than 30 minutes prior to the event. All swimmers must be listed in the team’s official entry file in order to participate in the meet, **including relay only swimmers**. The order of the swimmers and the names may be changed by notifying the timer in the relay lane or the computer desk but must be done prior to the start of the heat. No changes will be made after the relay is swum.

SCORING:

Scoring for the team title will be through 16 places for Senior events as follows: (20,17,16,15,14,13,12,11,9,7,6,5,4,3,2,1) for individual events
