GENERAL INFORMATION

Since 1989 the Berkeley Swim School has been providing quality lessons to students age 6 months -92. Classes are conducted by experienced adults at reasonable prices. Consistency, a meaningful curriculum and keeping students in constant motion have provided our students with great results.

Classes begin and end on time and we ask that students are on the deck 5 minutes in advance, dressed and prepared to participate. So that we can keep parents and children moving, we ask that you limit the time in the changing room to 10 minutes following classes. Parents are asked to exit the pool area when classes begin and to return at the very end of the class time. Refer to your smart phone for the ending time. This will allow students to focus on the instruction for the full :30/:45 minutes.

One piece girls suits and small shorts or briefs/jammers for boys is appropriate. All girls and boys with long hair must wear caps at the Get Wet level and above. Only Baby, Toddlers, Goldfish and Get Wet students may wear short sleeved rash guards. The water temperature is typically 85. Goggles are appropriate for Beginner levels and above. All children under the age of 3 must wear disposable swim diapers even if potty trained.

Make up Classes are for classes missed due to illness or in some cases planned events or vacations. Make-ups must be completed within the current session dates and are not given during the first or last weeks of class. If your child is going to be absent please email swimschool@berkeleyaquaticclub.com to make us aware.

Session Reports will be emailed during the last week of lessons. Reports will rate the skills needed for advancement. A recommendation for the following session will be listed on the report.

Observation Days will be during the classes held during the last week of classes.

Payment in full must accompany your registration. Checks should be made out to Berkeley Aquatic Club. We reserve the right to cancel any class in which there is not sufficient enrollment. Class fees are non-refundable after the first class. There will be a 25% fee charged for any cancellation.
