Dear College Swimmers:

Welcome back! We're happy to see you. I'm writing this letter to tell you about our summer program offering for college swimmers back to swim for the summer.

Due to space constraints there is a limited amount of room available to train with the National-Sectional group. The space will be reserved ONLY for those college swimmers who are willing to commit to the full practice and meet schedule for the group, and who are willing and able to handle the training load and practice challenges. If you would like to train this summer and are not able to commit to such a schedule, you can still train with our Senior Advanced group for the summer with Coach Brian Frazer. Coach Brian's bio is available online on our website at www.newjerseywave.org.

In order to swim this summer, you must be USS registered with "Scarlet Aquatics". If you were already registered as a 2018 USS member with your college team, this would mean you need to fill out a simple transfer form and pay a small transfer fee of $5. If, however, you are not yet registered as a USS member for 2018, you will need to fill out a USS athlete application and pay a fee of $66 to register. Please make all checks payable to "NJ Wave" because we will send in one check with all forms. All USS forms and registration fees can be sent to our team secretary at:

- Nina Degnan
  410 Lee Avenue
  River Edge, NJ 07661
  hdndhd@aol.com

I'm attaching copies of both the USS registration as well as the transfer form. In addition to the USS registration, you will also need to pay a team program fee (see chart below). All Scarlet Aquatics / NJ Wave Team fees can be sent directly to our bookkeeper at:

- NJ Wave
  PO Box 173
  Montclair, NJ 07042
  Attention: Emer Featherstone
