1. PAYMENT SCHEDULE: Below is an explanation of our payment system. New Members will pay a $200 deposit payable by check at their very first practice; Returning members paid $200 at Pre-Registration back in July or August 2019. Parents can then pay the balance of team dues in one of two ways:

    a. Pay the full fee by check by 9/16/19 and receive a discount of between $50 and $100 (depending on the group) per child when paying in full.

    b. Opt for the Payment Plan which consists of 5 payments via credit card. This payment plan will be done online thru the team website / billing system. If you choose the payment plan, you can no longer pay by check. Your credit card will automatically be charged thru the automatic website billing system on the following 5 dates: 10/1/19; 11/1/19; 12/1/19; 1/1/20; 2/1/20. You will also be able to view your balance online once this system goes active. This Team Unify payment system (Team Unify is our website database) is being used very successfully with swim teams throughout NJ and throughout the country.

2. Please note that after October 1 of each year, if your swimmers are swimming at SCAR-WAVE (including Lyndhurst Satellite), you are responsible for the entire amount of all fees: Membership fees, USA Swimming Registration fees, any Meets or Activities already signed up for, and the cost of any Volunteer Hours you have not worked. Injury, illness or changing your mind does not mitigate your obligation to pay ALL fees. Our experience is that most families earn all their volunteer hours. We will work with you and help you to find ways to meet your commitments. Please communicate with a board member or the Head Coach if you need assistance. If your child is promoted to a higher-level group in the middle of the year, you will be billed for the additional fees, pro-rated by the month.
