

LOS ALAMOS AQUATOMICS CODE OF CONDUCT

Parent/Guardian's Responsibilities

- I understand my child/children will not be allowed to participate in any practices or meets unless my registration fees, and normal dues are paid in full. I will comply with "no swim" determinations.
- I understand my family is responsible for volunteering to work at home meets and at state championships regardless of hosting team. I will make every effort to serve as a timer, setup/teardown/cleanup, hospitality, marshal, or other position requested by the meet director.
- The head coach is responsible for relay selection and I will check with the head coach before leaving a meet before it is completed to ensure my child is not assigned to a relay.
- The head coach is responsible for swimmer's group assignment (parental approval may be required). I will refrain from coaching my child.
- I will recognize the USA Swimming rule that does not allow parents on-deck in limited areas during swim meets.
- I understand, as parents, we are all expected to conduct ourselves in a professional manner and to maintain a decorum that fosters the positive atmosphere intended for youth swim team competition. The same holds true when dealing with coaches, meet officials, and swimmers/parents from other teams. Any action which is deemed detrimental to a swimmer or the team, will be asked to leave the pool area and may be subject to expulsion from all future meets and activities, or removal from the team.
- I will inform coaches of any disability or ailment that may affect swimmer safety or health of others.

I understand that if any failure to comply with this code of conduct may result in disciplinary actions, which may include but are not limited to:

- Suspension from team activities for a specified duration, set forth by the coaching staff.
- If on team travel, immediate return to home, at the expense of the parent/guardian.
- Permanent termination of LAA team membership
