## **Camp Overview**

Thank you for your interest in the inaugural New Mexico Swimming Diversity Camp! Our camp will be taking place on Saturday April 14<sup>th</sup> at the UNM Seidler Natatorium. This one day camp is an exciting new event for our swimmers from diverse backgrounds in our LSC.

For our athletes, we will be selecting swimmers from a diverse or minority background in the single age groups of 11 year old, 12 year old, 13 year old, and 14 year old, with 4 boys and 4 girls being selected. Should there not be enough applications who have completed their IMX scores for selection, the Selection Committee will select the next eligible athletes. Applications should be turned in to Camp Coordinator Doug Forbes by March 6<sup>th</sup>.

The NM Diversity Camp will consist of training sessions in the pool, group activities, as well as classroom time, and speakers, led by a staff of coaches selected from within the coaches of New Mexico. Please take the time to fill out an application, we look forward to a successful camp!
