Camp Overview

Thank you for your interest in the inaugural New Mexico Swimming Diversity Camp! Our camp will be taking place on Saturday, April 14th at the UNM Seidler Natatorium. This one day camp is an exciting new event for our swimmers from diverse backgrounds in our LSC.

As a coach for the camp, you will be responsible for coaching practices, working with the athletes in activities and lectures, as well as being a great role model and leader! The Coach Selection Committee will be selecting a staff of one Head Coach, and three Assistant Coaches. Please take the time to fill out the coach application and submit to Diversity Chair and Camp Coordinator John Butcher if you are interested.
