3. Schedules for dual or triangular meets determined by the League Coordinator can be rearranged by mutual consent of the Y Professionals/Coaches and notification of the Division League Coordinator must occur 48 hours prior to the scheduled meet. If there is not mutual agreement, the meet must take place as scheduled.

5. If dates cannot be met because of unforeseen circumstances, teams may arrange between themselves to reschedule the meet before April 1st.
6. Two meet forfeitures in one season will automatically drop that team from the League. Such team may apply for readmission to the league for the following season.

8. Rescheduled dual or triangular meets must swim the original scheduled order of events/distances regardless of which half of the season the rescheduled meet is occurring.
9. The number of extra heats allowed in any dual or triangular meet will be limited to a maximum of six (6) heats per team, not to total more than twelve (12) heats per meet. Home teams have the right to limit the number of extra heats further if they have time constraints on their facility. If the competing teams agree that twelve (12) heats are acceptable, and one team is not using their full allotment of six (6) heats, then the opposing team may expand the number of extra heats available to them to bring the total extra heats to the allowed twelve (12) heats. Teams may exceed the limit of twelve (12) heats if, and only if, mutual agreement is reached between both teams no later than two (2) days prior to the date of the meet. If mutual agreement cannot be reached, the home team shall decide the maximum number of extra heats, not to exceed the allowed twelve (12) heats.

4. Coaches may not act in an officiating capacity at any meet in which their team(s) is competing.
5. Standard score sheets must be prepared by all participating teams before the start of the meet. Names of individual swimmers can be changed before the swimmers are called to the starting blocks for an event. Coaches and officials must sign the score sheets at the end of the meet.
 - a) The home team shall be responsible for duplicating the final score sheet and sending the original to the League Secretary-Treasurer, with copies to the League Coordinator for the Division and all teams in the division. All results must be postmarked no later than 72 hours after the end of the meet. Results must be legible.

The action taken by the League Executive shall be communicated to the Executive Director(s) of the Y(s) involved.
