## 2. Minutes

Minutes for the 2010 October and November House of Delegate (HoD) meetings were posted on the NTSI website.

**Motion** made to accept the minutes for the 2010 October and November House of Delegates meetings without corrections. Seconded – passed.

## 3. Special Presentations

### a. Summer Swim Kick-off 2011

Makenzie Arnold from the Dallas Cowboys invited all swim clubs from the NT LSC to participate in a special event at Cowboys Stadium on Memorial Day weekend. Co-hosted by SwimOutlet.com, the Summer Swim Kick Off will give swimmers the opportunity to tour the new Stadium and work with two Olympic gold medalists on dry-land conditioning. The event is tentatively scheduled for Saturday, May 28, 2011. For more details, refer to Appendix A.

### b. Swim Across America

Daniel Watters, Dallas Event Director for “Swim Across America,” asked for the LSC’s support for their clinic and open water swim event in mid-June. The clinic will be held Friday, June 10, 2011 at the Rockwall ISD pool. The open water swim will be the following day at Lake Ray Hubbard. The event goal is to raise money for research at the Baylor Cancer Center at Dallas. See the organization’s website at [SwimAcrossAmerica.org/Dallas](http://SwimAcrossAmerica.org/Dallas) for more information.

## 4. Reports of Officers

### a. General Chair

No report

### b. Secretary

No report

### c. Treasurer

Traci will post new athlete travel forms, with instructions, to the NTSI website after April 15. Swimmers should download and complete these new forms before submitting requests for travel reimbursement. Receipts can be scanned and then emailed to her.

Traci presented the NTSI balance sheet for 2011. (Refer to Appendix B.) Teams that host meets were reminded to submit their financial reports within 30 days of the completion of their meets; the LSC will levy fines if those reports are late.

Current athlete transfer rates within the LSC are \$2, but this fee doesn't cover the costs to the LSC for items such as new registration cards. Traci would like to raise this fee to \$5. (See New Legislation.) The transfer fee from outside the LSC remains at \$10. Karen noted that there is a new transfer form that has been posted on the NTSI website since January; athletes must use this new form when moving from one team to another.

**Motion** made to accept the April 2, 2011, NTSI balance sheet. Seconded—passed.

**d. Admin Vice-Chair**

No report

**e. Senior Vice-Chair**

Bill handed out the list of 2011 time standards for Sectionals, Junior Nationals, Senior Nationals, and 2012 Olympic Trials. Those times can be found on the websites for TSC ([www.texasseniorcircuitswimming.org](http://www.texasseniorcircuitswimming.org)) and USA Swimming ([www.usaswimming.org](http://www.usaswimming.org)). Hotels for Olympic Trials are now open for reservations to athletes and coaches; tickets to the event go on sale June 25, 2011, on the USA Swimming website.

**f. Age-Group Chair**

Bill presented Brian's report in his absence. (Refer to Appendix C.) Phil Lakota, co-Chair of the Zones Committee, noted that the Committee has yet to meet in person to discuss budget and selection criteria; scheduling conflicts and lack of contact information have been the primary reasons for not meeting. Gloria recommended that the Committee use conference calls instead. He did note that meet costs for other teams, such as Florida Swimming, have been significantly less. With that information, the Committee is investigating how the NT LSC can lower its costs. Traci suggested that, before the cost per swimmer is set and published, a budget proposal by the Committee for the meet is needed.

**Motion** made to require the Zones Committee to submit a report to the Board of Directors by May 1, 2011. The report shall include their recommendations regarding budgeting for the Zones Meet this summer and selection criteria for athletes making the North Texas team. Seconded—passed.

**g. Coaches Representative**

If there are any coaches who need re-certification or certification for new staff, please contact Maggie. The currently scheduled classes are full but she can set up new ones.

On Saturday, April 23, there will be a coaches outing at Lone Star Park, which is sponsoring Dollar Day (\$1 parking, \$1 admission, etc). Preference is that no athletes attend, but spouses or friends are welcome.

## **5. Reports of Standing Committees**

### **a. Registration & Membership**

Karen reported 4681 swimmer registrations this year with 387 non-athlete registrations.

Referees can now run a report via SWIMS to verify background checks for all officials at their meet. Contact Gloria or Karen for the report.

Seasonal registration runs from April 15 through August 31; cost per registration is \$37. These registrations are not valid for Zone level and above (e.g., Sectional) swimmers. The NTSI does not register seasonal teams.

Water Works 2 is no longer in business. Life Time Fitness is looking into starting swim clubs at each of their North Texas facilities. Gloria noted that USA Swimming grants NTSI the right to refuse registration of a club in the LSC if NTSI has well-documented reasons to do so.

Karen reminded coaches that they must complete the Safety Training written test found online at the USA Swimming website. Lifeguard training does not fulfill this requirement.

### **b. Officials**

NTSI currently has 90-100 officials. Background checks have had little negative impact on these numbers. There are two separate Stroke & Turn Clinics this month in Rockwall (April 13 and 16).

### **c. Safety**

Jay reported a significant decrease in the number of Report of Occurrence forms received this year. As a reminder, teams should submit a form for any injury incident, including those that occur at practice.

### **d. Technical Planning**

#### **i. Meet Recommendations**

The Technical Planning Committee met twice since the last HoD meeting and created a list of recommendations for meet management. (Refer to Appendix E.) One of the TPC's goals was balancing the LSC divisions for B/C meets. In recommendation #1, Bill C. suggested a monthly rotation, based on meet size during the fall 2010 season. In short, certain teams would "float" from one division to another.

In recommendation #2, the TPC proposed expanding the 8&U session to a Novice 10&U session. This would accomplish a few things: 1) it would

lengthen the current 8&U session, giving those swimmers a bit more rest between events; 2) it would shorten the length of the regular 12&U session, because less experienced 9- and 10-year-olds would swim in the Novice session; and 3) it would give these beginner swimmers a quicker, more relaxed introduction to competitive swimming.

In recommendation #3, the TPC suggested adding two senior-level meets during the summer to give A-level 15&O swimmers a better opportunity to improve. By including 13-14 swimmers with AA times or faster, this would decrease the overall number of swimmers at A meets, shortening those sessions. These senior meets would not be restricted to NT; each meet would be open to other teams outside the LSC.

**Motion** made to accept all proposed TPC recommendations. Seconded—failed.

Recommendation #1 pulled for discussion. Some members raise a concern about one or more teams from a division pulling from a meet. Bill answered that the largest teams in each division have not historically done so, and therefore the number of entries per meet should not be negatively impacted.

**Motion** made to accept TPC recommendation #1. Seconded—passed.

**Motion** made to accept TPC recommendations #2 and #3. Seconded—passed.

- Friendly amendment: The use of a ready bench for 10&U sessions shall be optional.

The TPC currently has no specific recommendation on the use of bonus swims at meets. The issue will be discussed during the summer and a proposal will be presented to the House at the September meeting.

ii. 2012 Meet Calendar

Sherry presented the 2012 meet calendar proposed by the TPC. Refer to Appendix D. Note that, based on the motions carried above, the two senior-level long-course meets will be held the first weekends of May and July. Also, the Southern Zone Meet, hosted by NT, will be the first weekend of August.

**Motion** made to accept the 2012 meet calendar as proposed. Seconded—failed.

**Motion** made to divide the summer B/C championships into two meets. Seconded—passed.

**Motion** made to move the summer B/C championship meets to July 20-22 and move the summer A/BB championship meet to July 27-29. Seconded—passed.

**Motion** made to accept the 2012 meet calendar as corrected. Seconded—passed.

Bids for the 2012 meet calendar are due Thursday, May 12. The bid meeting will be held May 22.

**e. Athletes**  
No report

**f. Finance**

**g. Sanctions**

## **6. Reports of Special Committees**

### **a. TSA All-Stars**

The All-Star Committee is proposing that TSA rename the All-Star Meet to “Texas Select Camp,” starting in fall 2011, and modify its format to something similar to a national camp/clinic. The Camp will be held during short course season (date is TBA), but workouts during the Camp will be done in a long course pool. Regarding selection criteria, for each age group (11, 12, 13, and 14) per gender and LSC, the top 2 IMX scorers will be selected to attend the Camp. IMX points are taken from long course across all events at qualifying meets from September 1, 2010, to August 31, 2011. TSA estimates the cost at \$500 per swimmer (\$8000 per LSC). Voting on this recommendation will be done at the annual TSA meeting this fall. For more details, contact Ron Forrest.

### **b. TSA TAGS**

At the spring 2011 TAGS meeting, the Committee voted to propose the expansion of the number of finals for each age group, except 10&U, to two. For more details or to comment on the proposal, contact Jane Maxvill.

### **c. Equipment**

Bob has changed his email address to dogmatic.lang@gmail.com. Requests for equipment should be emailed to this address.

Bob will host an Equipment Operator’s class on Saturday, April 23, from 8am-3pm at Loos.

Ten lines of scoreboard have been donated to the LSC. Bob asked for input into how they should be used. Some suggestions:

- Attach them to the wall at Loos
- Combine them into a portable scoreboard like the trailer the LSC currently has
- Sell the scoreboards (e.g., by using eBay)

**Motion** made for the Equipment Chair to investigate the cost of creating a portable scoreboard from the donated items and to present a proposal to the House of Delegates at its fall meeting. Seconded—passed.

**d. NTV**

According to USA Swimming, the NT LSC submits more times into SWIMS than any other LSC of comparable size.

Gloria reminded all teams that, for times earned at observed meets (e.g., high school districts) to be submitted to SWIMS, the meets must have four USA Swimming-certified officials.

**e. Records/Top 16**

Records are up to date.

**f. Swim Camps**

Shannon is running an open water pool meet and camp in The Colony on Saturday, April 9, 2011.

**g. Club Development**

The default team travel policy for North Texas clubs is posted on the NTSI website. Maggie has examples of team-specific policies and information to hand out to chaperones.

**h. Outreach**

No report

**i. Disability Swimming**

No report

**7. Unfinished Business**

None

**8. New Business**

**a. New Legislation**

Gloria presented the set of proposed rules changes to the Policies & Procedures document. Refer to Appendix F.

**Motion** made to accept proposed rule change #1. Seconded—passed.

**Motion** made to accept proposed rule change #2. Seconded—passed.

- Friendly amendment: The rule change shall be effective from September 1, 2011.

**Motion** made to accept proposed rule change #3. Seconded—failed.

**Motion** made to accept proposed rule change #4. Seconded—passed.

**Motion** made to accept rule change #5 with the following modification: pre-seeding can include the 10&U novice session. Seconded—passed.

**Motion** made to accept proposed rule change #6. Seconded—failed.

- **Action** opened for the TPC to rewrite and submit a new recommendation for handling the issue outlined in the rule change proposal.

Gloria also presented a recommendation from the Treasurer regarding transfer fees for athletes within the NT LSC.

**Motion** made to raise the transfer fee, for athletes transferring between teams within the NT LSC, from \$2 to \$5. Seconded—passed.

**b. Bill Nixon Memorial Swim Meet**

Representing RACE/ATAC, the hosts for this year’s Bill Nixon Memorial Meet, Liz requested a change to the meet information. The meet itself is not yet sanctioned; this request is an exception to their bid.

**Motion** made to add Thursday evening to the Meet, extending it from 3 days to 3.5 days. Seconded—passed.

**c. Elections**

i) Gloria has formed a new NT LSC Sponsorship Committee with the following members:

- Liz Kershaw (Chair)
- Shannon Gillespy
- Sammie Krepp
- Sherry Gentry

ii) The Nominating Committee submitted the following individuals for election:

- Age Group Vice-Chair: Brian Danglemaier
- Technical Planning Chair: Sherry Gentry
- Secretary: Anne Rice

**Motion** made to close nominations and accept the proposed slate. Seconded—passed.

**Gloria adjourned the meeting at 2:27 pm.**

Respectfully submitted,

Mike McDonald  
Secretary

## Appendix C – Age-Group Chair Report

Good morning,

I will be unable to attend today's HOD meeting. Today is also our 4<sup>th</sup> annual Make-a-Splash Day event. Suzanne and I were going to split the two events today, but she is still sick this morning. She is unable to talk and has difficulty breathing, due to severe congestion. The MAS event is a large event and Suzanne had several "speaking" duties with the various sponsors and government agencies that have given their support to the event. I will now need to be there to fill in for her.

In terms of my report for the HOD meeting, the only thing on my plate is the upcoming zones meet. The AG committee was unable to formally meet, but I had individual discussions with the members regarding the zones program. After careful consideration, I have elected to make the following changes to our selection process:

1. Swimmers must have at least the "AA" standard in at least one event to apply to the zones team. Our existing selection criteria will remain.
  - a. The new SZ rules have changed the number of athletes to 8 boys and girls in each AG (still 48 total)
2. The "Bill Nixon Memorial" meet will be the selection meet for the team.
3. For 2011, the swimmer's cost for the trip will be increased to \$475.

The cost of this year's trip will be considerable given the cost of airfare. The price of airfare alone is \$496. To stay within our budget I will make appropriate reductions in other expense areas as necessary. I will again ask the teams within the LSC to sponsor a t-shirt with a \$500 donation. MARS will commit to being a sponsor. Bids are out for local bus transportation and uniforms. I have signed a contract with our hotel.

The caveat to the zones trip is that our plans assume we will get at least 48 qualified applicants. The logistics of the trip require the purchase of airline seats well in advance of the selection date, as well as hotel rooms. I have not yet contracted with the airlines for seats in case the HOD wants to reduce the number of athletes on the team. I want to point out that the cost per swimmer is the same regardless of the number we select. I am not recommending we cut the number of athletes. We need the teams within the LSC commit to supporting the program. The only way we will have budget issues is if we do not get at least 48 applicants. To prevent this I will leave open the option to fill the team with "non-AA" swimmers, if necessary.

I apologize for my absence. I will see you all again soon.

**Brian Dangelmaier**

Head Coach / Program Director

## Appendix E – TPC Meet Recommendations

### TPC Recommendations

- 1) In order to balance and control size of B/C meets, TPC would like to create two different division set-ups. For fall of 2011, meet bids (and/or hosts) for October and December would be based on Rotation #1. Meet bids for November would be based on Rotation #2.

These numbers were based on average meet size by team for fall 2010 B/C meets.

#### Rotation #1

<u>Division 1</u>	<u>Division 2</u>	<u>Division 3</u>
NTN	LAC	COPS
TRS	FA	MTRO
FAST	DM	COR
MAC	IS	RACE
MARS	WKB	ATAC
MTRO (FW)	QA	LSSC

#### Rotation #2

<u>Division 1</u>	<u>Division 2</u>	<u>Division 3</u>
LAC	FA	COPS
MARS	NTN	MTRO
MAC	TRS	DM
FAST	COR	RACE
WW2	ATAC	LSSC
SNAP	IS	CAT
SWAT	QA	ROCK
MTRO (FW)	WEST	
CLAS	WKB	
<b>Ave size 331</b>	<b>341</b>	<b>342</b>

- 2) **Change the 8 & Under session to a Novice 10 & Under session.**

- Order of events – 25s of the strokes for 8 & Unders, 50 of the strokes for 10 & Unders, 8 & Under 100 Free relay, 10 & Under 200 Free Relay. No more 100 IMs offered.
- Once swimmers achieve a “B” time in an event, they can no longer swim it in the novice portion of the meet.
- It would be suggested, that swimmers with 2 or more “B” times, they no longer compete in the novice portion of the meet.

-50s of the strokes will still be offered in the other sessions. Swimmers would still have stay within the 5 events per day limit.

-Still do a ready bench

-Purpose – 1) Give 10 & Under Novice swimmers an easier, quicker, and friendly introduction to competitive swimming. 2) Increase the length of the 8 & Under session (since it averages 1 hour) and lessen the length of the other sessions.

**3) NT Senior Meets** – Add two meets in summer for 15 & Over swimmers (“A” times, no bonus) and 13-14 (“AA” or better, no bonus). Goals of meets 1) alleviate size of LC “A” meets 2) Give Senior level swimmers a better opportunity to improve. Keep sessions shorter and limit number of events to be swum per session (4 per session).
