North Texas Swimming, Inc. Technical Planning Committee Meeting for The Voting of 2012 Swim Meets May 22, 2011 SMU Natatorium, Dallas TX 75205

Note: meeting was not conducted under rules of order.

Shannon Gillespy began the meeting at 1:15p.

1. Roll Call

By general agreement, roll call was not taken and no sign-in sheet was passed.

2. Minutes

Liz Kershaw opened with comments on the conduct of the meeting. She pointed out that although teams reach agreements before the beginning of the meeting regarding meet bids, no change should be made to the meet bid calendar until the meeting commences. Changes had already been made to the calendar before the meeting in this case. No comments were made and the meeting continued.

Maggie Shook addressed the voting members with the suggestion that “A” and “BB” meets be combined in 2012 for all 12 and under swimmers, separated by “BB” divisions. She has observed that “BB” swimmers improve more when competing with “A” swimmers at the same meet. Thirteen and over swimmers would still compete at strictly A meets. She believes this would also increase attendance at “A/BB” meets. Comment was made that this would best be implemented for the 2013 calendar since the 2012 calendar has already been approved and meet bids submitted for vote.

“A” meets were voted first, followed by “A/BB” and “BB”. Lastly, “B/C” meets were voted and approved without verification that members were voting in their own divisions (which change from month to month for some teams).

Respectfully submitted,
