## **Rules for Equipment Loan/Rental**

1. In order to secure a reservation for equipment for a specific date/swim meet, the request must be submitted at least 60 days prior to the start date of the swim meet. A complete copy of the meet information must accompany your request. Requests that are received late may result in the assessment of a \$50.00 fine. Requests for the same equipment will be granted in the order received.
2. Use ONLY North Texas Swimming request forms or copies of these forms. (Available as PDF or Excel files on the North Texas Swimming web site.
3. Email the Equipment Rental/Loan Request, Equipment Request Form and meet information to Bob Lang at [dogmatic.lang@gmail.com](mailto:dogmatic.lang@gmail.com). The request may also be mailed if time allows to Bob or Ann Lang at 4149 Lomita Lane, Dallas, TX 75220.
4. Call Bob Lang at 214-755-7981 to set up a time/date to pick up this equipment. Allow at least a weeks time between calling and the date you wish to pick up the equipment. (NOTE: Only NTS certified timing system operators may pick up or return equipment).
5. If you would like to discuss your equipment requirements, please call Bob Lang at 214-755-7981.
6. North Texas Swimming LSC member organizations are not required to pay rental on equipment with the exception of the 10-line portable scoreboard. Non-LSC organizations will pay rental in the amount of \$750.00 per system or any part thereof per meet. (NOTE: In facilities where two pools are being used simultaneously at a swim meet, each pool is considered a system/meet). Both LSC and non-LSC organizations will pay rental for the 10-line portable scoreboard as follows:
  - LSC Organizations – \$150.00/meet + mileage @ current IRS business rate
  - Local Non-LSC Organizations - \$750.00/meet + mileage @ current IRS business rate.
  - Non-Local Non-LSC Organizations - \$1,000.00/meet + mileage @ current IRS business rate + room and board for the scoreboard operator.
7. If the 10-line portable scoreboard is rented, Bob Lang will deliver the scoreboard to the site of the meet, set it up, take it down and pick it up at the conclusion of the meet.
8. LSC member organizations will be required to have on file, a signed Statement of Understanding in which that organization acknowledges liability for an amount equal to our current insurance deductible for damage or loss as a result of negligence or carelessness. Currently, that amount is \$1,000.00.
9. Non-LSC organizations are required to put up a refundable \$1000.00 deposit for each system or any part thereof. This deposit will also cover the 10-line portable scoreboard if it is rented.

## **Rules for Equipment Loan/Rental, Cont'd.**

10. Please bring checks for rental/deposit at the time of equipment pick up/delivery. The check must be a team or organizational check or money order. Personal checks or cash will not be accepted. The rental check if applicable must be separate from the deposit check. Checks should be made out to "North Texas Swimming, Inc." Deposit checks will not be deposited unless a penalty is assessed.

11. If touch pads are being picked up, the North Texas Swimming equipment trailer must be used. Only vehicles capable of pulling this trailer safely will be allowed to tow it. Smaller vehicles such as light sport utility vehicles and import light duty trucks are not satisfactory. A class III trailer hitch with a 2" ball is the minimum required and the vehicle must be equipped for electrical hook up to the trailer lights. Electric brakes are installed on the trailer for your use if you have the proper hookup and control.

12. Equipment must be returned completely and in proper condition by the third day following the conclusion of the swim meet. (i.e. If the meet ends on Sunday, the equipment must be returned by Wednesday). If the meet is held at Loos, the equipment must be returned immediately after the conclusion of the meet. A penalty of \$50.00 per day will be deducted from the deposit or assessed as a fine (as applicable) for each day after this time limit that the equipment is not completely and properly returned.

13. At the time that you return the equipment please inform Bob or Ann Lang of any problems with the equipment.

14. If the equipment is returned damaged or is missing and it can be shown that the damage or loss of the equipment was due to negligence or carelessness, then the hosting organization's deposit (if a non-LSC organization) will be used to cover replacement or repair costs either not covered by insurance or those which must be paid for by the insurance deductible. In the case of LSC members, a signed "Statement of Understanding" on file acknowledges that member organization's liability is currently for up to \$1000.00 in loss or damages.

15. Only North Texas Swimming certified timing system operators may be involved in the set up, operation and take down of North Texas Swimming LSC equipment.
