

Changing Rooms Policy

The change rooms at the Ruth Inch Memorial Pool (RIMP) are monitored by RIMP staff and are for all customers of the facility - not just for the Yellowknife Polar Bear Swim Club. The Yellowknife Polar Bear Swim Club expects that the swimmers' behavior reflects the club's Code of Conduct and demonstrates respect for the City's facility.

Swimmers are provided the opportunity to enter the change rooms prior to practice to prepare for each session and after each practice to get a quick shower and changed. Swimmers are then expected to make their way out to the lobby for pickup by parents. Change rooms should be cleared of all personal belongings and left in a clean and tidy manner.
