

# Woodley Warriors Weekly

2018 Final Edition

August 2, 2018

## Editor's Note

By, Patti Pollack

It's hard to believe another Swim and Dive season is winding down. So many of us look forward to, and yet dread, the frenetic pace of the month of July filled with B meets, A meets, Dive meets, morning practices, Relay Carnivals and Sundae Sundays. The anticipation of seeing summer swim families reunite after the busy school year. Taking inventory of how many inches the kids have grown. Witnessing the camaraderie of a team ranging in age from five to eighteen. Hearing the cheers fill the pool deck. It's a crazy and wild six weeks!

This year met and exceeded expectation of years past. Thanks to Coach Nasca and Coach Anna who both returned with their rich Woodley family histories. Thanks to the Team Reps who worked tirelessly for the benefit of the kids. Thanks to parents who timed, sold concessions, corralled children, printed ribbons, entered data, took pictures, and made time boards. Thanks to kids who swam their personal bests. Another season in the books! *Hail to the Warriors, Hail to the Chief...*

## Thank You from Swim Team Rep

I am filled with immense gratitude and appreciation for your extremely generous and thoughtful gifts! I truly enjoyed being the swim team rep this summer! Seeing the children's enthusiasm and love for the sport made all of the hours I spent on swim task worth it! From the Mini Warriors accomplishments, to the older swimmers goals of winning their races, it was definitely a summer to remember. I look forward to next season as well as Coach Nasca's return, his knowledge and professionalism made my job much easier.

Many thanks to all of the parent helpers! Without your dedication, we could not have pulled off this exciting season. Our kids had fun, we had fun watching them, and I can't wait to share it all again with you next summer.

Thank you again for the generous gifts! The manicure/pedicure is much needed and I plan to use the money while we are on vacation. I look forward to enjoying the bubbly, on a relaxing beach later this summer!

Did you see those AMAZING time boards at Divisionals? Special thanks to Michael Woods for all of the time and effort that went into creating them. We are already looking forward to using them next year!

## 13 & Over Dinner

Nothing like finding out the *MORNING* of your event that your intended venue has permanently closed! Special thanks to our Team Rep Carrie for her quick thinking and for Glory Days at Barcroft Plaza in Falls Church for accommodating our group of teens on such short notice!
