

# Woodley Warriors Weekly

WW vs. Burke Station and Rutherford

July 11, 2018

## SO CLOSE!

Burke Station swim team came to Woodley on Saturday where the lane lines were set for a series of close races! Burke Station edged out Woodley 224-195. Woodley should be proud of the great sportsmanship they continue to demonstrate as well as the amazing Warrior spirit. Now put those blue clothes away and dust off your neon gear for next week!

Tuesday evening Mr. Dubas returned to announce a nail-biting dive meet. Rutherford took the meet 37-34, just one place separating the winner! A friendly reminder to members that the pool is open for QUIET swimming only to ensure the safety of the divers.

However, she would like to acknowledge how well everyone dove at the meet and especially those who performed new dives they learned this week!

# Seniors!

## Paola Zamora

Paola has been a Woodley Warrior for 5 years. She also swam for FCHS for 4 years. Paola's favorite stroke is freestyle. She will be attending JMU in the fall. There she will be studying International Affairs with a concentration in International Conflict and Security as well as a regional concentration in the Middle East. Paola's favorite Warrior memory is the ultimate fun day when older swimmers have an opportunity to play with the younger swimmers which gives off a "family vibe." She will miss her swim and pool friends at Woodley the most. We will miss her energy, spirit, and constant smile!

## Joseph Canan

Joseph started swimming at the age of 5. That means he's been a Warrior for over a decade! He also swam at FCHS for 4 years. His favorite stroke is breaststroke. Joseph will be attending NOVA in the fall where he wants to study Sports Marketing. His favorite Warrior swim memory is starting out doing the kick board races and the Mini-Meets. Joseph is going to miss the friendships he has made over the years with his peers. The team is going to miss his calm, easy-going, friendly personality!

## JD Frankovich

JD has been on the Woodley swim team for 4 1/2 years. His mom forced him, and his brother, to do the swim team after they didn't do the chores they were supposed to do while Helen practiced! JD also swam for Stuart HS for the last 2 years. JD will be attending NOVA in the fall to start his path in engineering. JD feels his best event has been the breaststroke. One of his favorite swim team memories was quite recent when Helen, his younger sister, completely missed the announcement that she had broken a swim team record because she was too busy reading her book! JD we will miss your wingspan, humor, and gentle spirit!

## Chris Rodriguez

Chris has been on the swim team for 9 years. He was also a member of the FCHS swim team. Chris plans on attending NOVA in the fall. His favorite memory is when Coach David duct taped his legs together so he could improve his butterfly kick! We will miss your kind, caring, and respectful Warrior spirit!
