

Orinda Aquatics Team Tryout Form

NOTE: See website for updates on COVID sessions.

Thank you for your interest in Orinda Aquatics, **year-round swimming**. Orinda Aquatics offers prospective members the opportunity to swim with the team on a trial basis. This time period should allow the swimmer and their family to evaluate our program, and for the coaching staff of Orinda Aquatics to evaluate the swimmer. For September try-outs, we ask that swimmers attend the pre-season trial session (see Parent Letter on the website under REGISTRATION for details). Following this trial session, there will be a swimmer meeting for all year-round swimmers and a parent meeting. There will also be a new parent Q&A after the season begins. For mid-season try-outs, we will set up a meeting with the parent and swimmer. Also note that there are minimum standards to join and we may ask a swimmer to begin in the Fall Polar Bear Program or Varsity Senior program. Please review the team information on the website (general and group) and email this form to Kati McDermott at katiswim44@gmail.com. Thank you for your interest.
