

## Blue Ash YMCA Swim Team

The Blue Ash YMCA Swim Team (BASH) offers competitive swimming for all levels, including pre-competitive to national level swimmers. In a supportive and encouraging environment, the highly trained coaching staff develops each swimmer individually according to their own ability.

Swimming on the Blue Ash YMCA Team not only allows for athletic success and growth but instills life lessons about character, attitude, friendship, team spirit, and the importance of striving at every level to reach full potential and to obtain personal goals.

Please check out our website [WWW.SWIMBASH.COM](http://WWW.SWIMBASH.COM) for information about practices, coaching fees, coaches' profiles, and much more!

Come join and see why over 150 BASH swimmers are working hard and swimming fast. Besides the physical, social and developmental benefits, competitive swimming is a FUN and EXCITING sport.

- **Two indoor pools, warm and cool**
- **Heated outdoor long course Pool**
- **State of the art weight room**
- **Experienced and award winning coaching staff**
- **Underwater video camera**
