SOCKTOBER

2nd Annual Sock Drive to benefit the Salvation Army Harbor Light

We are collecting **NEW socks of all sizes for men, women and children. Donation bins will be located in the pool lobby throughout the month of October. Help make this a warmer winter for our neighbors in need.**

In existence for over 65 years, the Harbor Light Complex has been a beacon of hope and help, providing services to the most disenfranchised members of society including homeless men, women and children, survivors of human trafficking, returning citizens following incarceration and those in detox. Approximately 450 people stay there most evenings; it's a pretty remarkable place.
