

Summer Swimming Weather Policy

A reminder for those of you who have not printed out the weather policy for Summer Swimming from the website (under the Practice Schedule link). Please keep posted somewhere handy so you can access it. Remember Senior Group swimmers, this applies **only** to the practices scheduled for the City Pool.

55 degrees or above: follow normal practice schedule
50 - 54 degrees: optional practice (helps attendance %)
49 degrees or below: No practice for 12&unders
Senior Group: at the outdoor pool this is merely a **suggestion** for Senior Group swimmers, the pool is heated and the coaches will be there no matter the temp!!!)

The BGSC official weather service is: **352-1512**.

If the temperature is too low for morning practice by the following times, practice will be cancelled: **Remember if it is too cold for one group, it may warm up enough for the next practice time.**

Senior Group:	5:40 am
Blue Group:	7:45 am
8 & Unders (Gold):	8:00 am

The above times also apply to the cancellation of practice if there is **lightning** in the area (**Notice I did not say rain!!**).

Also, any **warnings** in the Wood County area such as severe thunderstorms or tornadoes will also cancel practice.
