

BGSC/USA Swimming Schedule 2019-20

Signing up for meets:

- Meet signups will ONLY be done via Team Unify site.
- You will receive an email if your swimmer qualifies to be entered in that meet.
- You will be asked to select days/sessions – please ask George or I if you can't tell which session/s your swimmer should be signed up.
- If you miss the deadline to sign up you can possibly still enter by emailing Carolyn or George directly. We will let you know if it is too late.
- **If you sign up for a meet and the entries have already been submitted to the host team, you are still responsible for those entry fees. There are no refunds for illness, injury, weather, or last minute conflicts that come up.**
- PLEASE ask us if you have any questions!

**For Developmental/New swimmers we recommend a minimum of one (1) meet/month (the SOS Developmental meets are great for new swimmers and are only for swimmers to enter in events slower than JO cuts)

**Highlighted meets are those that are team meets that all eligible members should participate!

**High School swimmers: your last eligible meet will be the BGSC Invite on 12/7-8
