

MEET REGISTRATION

Meet Registration is very simple and takes place on our website. You will need your username & password to login to your account.

Follow these instructions:

- Meets are listed on the Home page of the team website
- You will see an Attend/Decline button next to each meet that is listed, click on the Attend/Decline button
- You now have a choice to click to Attend or to Decline
- If you choose to Attend, you can choose which or all days that you would like to attend. If you do not pick certain days, the coaches will assume that your swimmer will be present for all sessions that are age appropriate for your swimmer
 - There is a memo box that can be used to leave a note for the coaches
 - If something changes with your schedule, once you have already registered for a meet, please let Coach Rick know
 - Once entries are sent to the host team, you are responsible for the fees for the events in which your swimmer has been entered.

If you have questions regarding the event schedule for a meet, meet info is posted on our website. To find the meet info, click the name of the meet (on the home page), on the next screen there will be a link for the meet information. In this information, you will be able to see start times, which sessions each age group swims in and the order of events.
