- If a swimmer decides to leave the team mid-month before November 1 for the winter season or May 1 for Summer Season, they are still responsible for the monthly fee for that month.
- If a swimmer decides to leave the team after January 1 for the winter season or July 1 for the summer season, they are still responsible for team fees for the remainder of the season.
- Effective July 1, 2019 - All fees billed through the YMCA that are returned for insufficient funds will be charged a \$30 returned payment fee. This is not a fee charged by the Y or the team. This fee is charged by the company that does the billing for the Y.
