Intents to scratch have to be confirmed or withdrawn within 30 minutes of the completion of the swimmer's last event for that preliminary session.
14. IN ACCORDANCE WITH USA SWIMMING INC. RULES AND OHIO SWIMMING: "On the final day of a prelim/finals meet, failure of any unexcused athlete to properly scratch finals or consolation finals shall result in a \$50.00 penalty fee being charged against that swimmer.   - In the event of withdrawal or barring of a swimmer from competition the Referee shall fill the consolation or championship final, when possible, with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. The alternates shall not be penalized if unavailable to compete in the finals.
  - Where consolation finals have not been swum and a barring or withdrawal is known to the Referee, the Referee shall reseed the consolation and championship final, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final.
  - If the consolation final has already been contested, the championship final shall be swum without reseeding for the empty lanes(s).
  - Failure to scratch consolation or championship finals according to the rules above shall result in a \$50.00 penalty fee per event against the swimmer if the event is his/her last event of the meet. The penalty fee shall be billed to the club and paid to the host group member.

- No penalty shall apply for failure to withdraw or compete in an individual event if:
    - The Referee is notified in the event of illness or injury and accepts the proof thereof.
    - A swimmer qualifying for a consolation or championship final race based upon the results of the preliminaries notifies the Clerk of Course within thirty (30) minutes after the announcement of qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event.
      - It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
20. Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water **without the use of the backstroke ledge**. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.
