

## Team Membership Agreement and Payment Obligation 2022-2023

### Payment

Your financial obligation to be a part of the Tigershark Swim Team is divided into 3 components: \$30 Per Swimmer Online Registration Fee which includes your Ohio Swimming LSC fee, Annual Team Dues and Fundraising, and Meet/Team Fees. Your completed Payment Authorization Form establishes the method by which you will pay for Team Fees. Completing the "Setup Auto Pay" process while logged into the team website (Team Unify) account establishes the method by which you will pay team expenses (meet fees and other minor expenses throughout the season).

### Annual Team Dues

This fee is based on the year round swimming program and covers coaching, facility and program expenses during the both the short course (fall/winter) and long course (summer) seasons. These fees are collected through the YMCA's payment system, just like YMCA membership fees. These fees do not include each swimmer's annual USA Swimming Membership Fee. Fundraising fees may be included in your payment plan.

**New this year:** Parents will be responsible for registering their swimmers on the Online Member Registration through USA Swimming.

### Meet/Team Fees

These are expenses associated with team membership including, but not limited to, meet entry fees, apparel and events. Expenses will be collected through the team website. Monthly invoices will be generated and available for your review on your private account on the team website.

Members must register a credit card or bank account with their Team Unify (team website) account. The credit card used at registration will automatically be saved for this purpose. If members wish to use a different CC or a bank account, this can be changed by logging in and following the "Setup Auto Pay" instructions under "My Account."

### Payment Authorization

Completion of the Payment Authorization Form establishes payment of Annual Team Dues (through the YMCA). The form authorizes payments using a valid credit card or bank withdrawal. **This is a membership requirement.** For year round team fees, PCY Tigersharks offer a convenient payment plan of 6 monthly payments (October – March).

All payments made are final. No refunds will be issued. All fees and dues must be current for swimmers to practice or participate in meets.

### Financial Assistance

Financial assistance is available through the YMCA Annual Support Campaign – Mike Leonard Scholarship Fund. Please fill out the scholarship request form located in this packet and return to Stacey Tepe in the swim team office. Tax information is needed with the scholarship request.

### Notice of Intent to Withdraw

This form must be submitted in person to the Tigershark Swimming Office no later than the 15<sup>th</sup> of the month in order to avoid being charged for the following month. Members are responsible for all fees until such time as a completed withdrawal form has been received by the Tigershark Swimming Administrative Staff.

**NO Refunds or credits will be given for a cancelation of team membership after December 15<sup>th</sup>. Full Payment is required.**

By joining PCY Tigersharks you agree to be held accountable for annual team dues, fundraising, monthly team expenses and any other expenses, as well as all policies contained within this member agreement and payment obligation form for the duration of your time as a member of PCY Tigersharks.

**Each Tigershark family has a fundraising requirement per swimmer.** Families may fulfill this requirement by participating in fundraising events, by paying the full amount by check, or by adding it to their monthly payment of team fees. There are several fundraising events available to help you meet your family's fundraising commitment.

**\*\*NEW SWIMMERS ARE ONLY REQUIRED TO FUNDRAISE HALF THE REGULAR AMOUNT\*\***

**All Fundraising is due by DECEMBER 15<sup>th</sup>. Fundraising earned after December 15<sup>th</sup> will be credited to the next year's fundraising requirement.**

\*Team fees differ between the Tigersharks, Gators and Clippard Divisions due to differences in practice time, coaching staff and strength training schedules.

## Practice Levels

### **Age Group Level I (10 & Under)** – *Tigershark, Clippard and Gator Divisions*

This level is for 8 & under swimmers and some 9-10 swimmers who are learning all four competitive strokes. The emphasis is on developing the fundamentals of the strokes, starts and turns by means of drills and games in an enjoyable atmosphere for instruction. Swimmers learn the basic rules of competitive swimming.

Attendance: Two to three practices per week are recommended.

### **Age Group Level II (9-12)** – *Tigershark, Clippard and Gator Divisions*

This practice level is designed for 9-11 year olds. Improving stroke, start and turn techniques will be the primary emphasis in this level. It will serve as an introduction to the highest levels of age group swimming. Mild distances and endurance work will be introduced in training.

### **Age Group Level III (10-13)** – *Tigershark, and Gator Divisions*

This is the Tigersharks' top Age Group level for 13 & Under swimmers.
