After Graduation
I plan to swim at The University of Tennessee where I will major in Architecture as a Chancellor's Honors Student

MARGARET MARANDO

Favorite Swim Memory: Playing cards on deck at swim meets

Note of Appreciation to Mom and Dad: Thank you both for being my biggest supporters and believing in me when I didn't believe in myself. I wouldn't be where I am and who I am without the endless love you both have shown me. A special thanks to Chuck for sitting through my endless swim meets and always screaming the loudest. Love you tons.

ADVICE FOR YOUNGER SWIMMERS

The grass seems like it is always greener on the other side. Being a great swimmer doesn't happen overnight, it takes showing up for practice and working hard every day. Slumps happen. Our coaches are the best. Don't take them for granted.
