

OLIVIA OYSTER

Favorite Swim Memory:
Futures in the summer when we went to Virginia and went to WaWa

Note of Appreciation to My Parents:
I am so grateful to my parents for sacrificing their time to drive me to practice, sitting through long meets and for supporting me no matter what. The past 12 years of swimming would not have been possible if it weren't for them.

High School Attended:
Bishop Watterson High School

Years with USA
1
Total years swimming
12

Favorite Events
50 & 100 Freestyle

Proudest Accomplishment

Getting 3rd in the 50 at the state meet and committing to swim in college

After Graduation:

I will swim and study at Xavier University. I am enrolled in the nursing program and plan to be a nurse anesthetist

Advice for younger swimmers:

You will go through rough patches where you feel like you want to give up. Think about your goals and where you hope to be. A bad practice is better than no practice. Also, warm up before races and warm down after races. I didn't do that until joining this team and it really does make a big impact on performance.
