

Oakville Aquatic Club

# Tryout

We appreciate your interest in joining OAK and we are eagerly looking forward to the time when we can welcome new members into the club.

In light of the COVID-19 restrictions affecting access to all aquatic facilities, OAK is currently not holding tryouts for the time being. As Provincial regulations evolve and the Town of Oakville resumes full pool operations, OAK will implement protocols for the safe return to swimming in alignment with the Swimming Canada framework.

OAK will not be running the Acorns and OAK Entry Programs until full pool operations resume.

In the meantime please complete this [sign up form](#) if you wish to be notified when the next OAK tryout will be scheduled.
