SECTION 1 - INTRODUCTION

The Bellevue Club (BC) and the Bellevue Club Swim Team (BCST) organizations are committed to providing a safe, caring and nurturing environment for all members **and affiliate members**. In that regard, we have prepared these guidelines to assist all concerned in understanding what is expected of them in their role as swimmer, parent guardian, or as a BC coach and employee. This document and relevant attachments will be updated annually and reviewed with all members of the BCST community at the beginning of every season.

Program participants are expected to display good sportsmanship in support of the BCST Vision, Mission and Values and should be aware of the non-negotiable guidelines detailed in this document **before** choosing to join. Additionally, all participants in the program are subject to prevailing BC Rules and Regulations and to the USA Swimming (USAS) Code of Conduct.

The General Manager or the assigned Manager on Duty shall have the authority to remove any member or guest from the Club premises for conduct that is determined to be prejudicial to the welfare and good order of the Bellevue Club and the BCST.

Additionally, the General Manager shall have the authority to immediately suspend, on a temporary basis, and ultimately, to terminate any member from the Bellevue Club for conduct that, in the manager's judgment, is prejudicial to the welfare and good order of the Bellevue Club.

SECTION 2 – MISSION, VISION, VALUES

MISSION STATEMENT

The mission of BCST is to provide an environment that ensures participants the opportunity to achieve their potential as athletes and humans through swimming.

To fully realize the mission, the level of participation of the swimmers, parents and coaches must embody a commitment to the team, a commitment to teammates and the acceptance of a personal role in the pursuit of excellence.

In keeping with our belief there is 'life after swimming,' we feel the skills developed in our program such as time management, self discipline, and sportsmanship provide valuable benefits to each participant long after participation ends. ***Enjoy the journey!***

VISION STATEMENT

Inspire individual achievement through self-discipline and self-improvement. Unify team spirit through commitment to excellence and sportsmanship. Commit to competitive excellence through hard work and perseverance, ***yet still maintain a level of fun and swim/life balance.***

VALUES

To evolve the Program around the cornerstones of:

- Sportsmanship
- Teamwork
- Competitive Spirit

To be a place where all swimmers feel safe and appreciated.

To create a positive, uplifting, and supportive learning environment free of negativity, bias and disrespect.
To develop successful people; not just successful swimmers.

SECTION 3 - GUIDELINES

SPORTSMANSHIP

Program participants are required to exhibit a high level of sportsmanship at all Club-related events at all times. They should promote mutual respect, display positive behavior, engage in open and constructive communication, and support program coaches, officials, volunteers and administrators. Additionally...

SWIMMERS SHOULD...

Understand that swimming is a privilege and not a right.

Display positive behaviors at all times as a representative for the BCST and their community.

Demonstrate respect for opponents and teammates before, during, and after meets (applaud for all teams and contestants; staying in the water at the conclusion of a race; shake hands before and after when possible; support all contestants when appropriate; etc.).

Respect the judgment of meet officials and volunteers, abide by the rules and avoid behavior that might incite conflict.

Cooperate with officials, coaches and fellow participants to conduct productive practice sessions and fair meets.

Accept favorable and unfavorable decisions, as well as victory and defeat, with equal grace.

COACHES SHOULD...

Set a good example by exemplifying the highest moral and ethical behavior.

Treat opposing coaches, participants and parents/guardians with respect.

Teach swimmers the responsibilities of good sportsmanship.

Demand good sportsmanship and team-oriented behaviors from all swimmers.

Model the positive behaviors demanded of the swimmers.

Encourage swimmers to be the best they can be in swimming and in life.

PARENTS/GUARDIANS (AND OTHER SUPPORTERS) SHOULD...

Demonstrate respect for all swimmers, coaches, officials, other participants, and other parents/guardians.

Accept decisions made by meet officials, even when they favor the opposing teams.

Recognize outstanding performance from all participants.

Avoid derogatory or inflammatory remarks about opponents or officials.

Be exemplary role models by positively supporting all participants.

Cheer EXTRA loud for BCST swimmers!

ROLES

Swimmers swim. Coaches coach. Parents/Guardians support. It is hard for enthusiastic parents/guardians and supporters not to issue well-meaning instructions to their swimmers. However, it is best for parents/guardians to partner with the coach in providing skill-development related feedback to their swimmers. Parents/Guardians should also support the coaches in addressing the sacrifices and challenges involved in being part of a team. Swimmers (age appropriate) are encouraged to learn responsibility by speaking with their coach themselves when they are unable to fulfill

their BCST obligations. Similarly, when players have a conflict with their coach, a fellow player, etc. they should personally initiate the resolution process and adhere to the conflict resolution procedure outlined below.

CONFLICT RESOLUTION PROCEDURE

BCST members/participants are encouraged to address conflicts or concerns in the following manner:

1. Air concerns with the swimmer's individual coach.
2. If dissatisfied, air concerns with the BCST Head Coach.
3. If dissatisfied, air concerns with the BC Athletic Director and/or General Manager

SECTION 4 – HELPFUL HINTS AND DO'S AND DON'TS FOR PARENTS/GUARDIANS

HELPFUL HINTS FOR PARENTS/GUARDIANS

As referenced above, parents/guardians contribute to the success experienced by the athlete and the entire team. Adults serve as role models, and their children emulate their attitudes. We ask all BCST parents/guardians to be aware of this important opportunity, and strive to be positive role models for all the swimmers. Most importantly, we ask parents/guardians to display good sportsmanship at all times toward coaches, officials, opponents and fellow parents/guardians. Remember that you are teaching your swimmer/athlete and the other swimmer/athletes at all times. We respectfully request that you:

1. Do not impose your ambitions on your swimmer.
2. Be supportive of your swimmer, no matter what.
3. Allow the coach to do the coaching.
4. Have positive things to say at a competition.
5. Acknowledge your swimmer's fears.
6. Do not criticize the officials.
7. Honor your swimmer's coach.
8. Be loyal and supportive of the team.
9. Ensure your swimmer has goals besides winning.
10. Remember that very few swimmers become Olympians.

SOME ADDITIONAL DO'S AND DON'TS FOR PARENTS/GUARDIANS

(AUTHORED BY MICHAEL A. TAYLOR, AN INSTRUCTOR FOR THE STANFORD UNIVERSITY-BASED POSITIVE COACHING ALLIANCE, AND AMENDED BY AND FOR BCST.)

DO'S

for Yourself:

- Do take vicarious pleasure from your swimmer's participation (but avoid becoming overly ego-involved).
- Do try to enjoy yourself at competitions. Your unhappiness can cause your child to feel guilty.
- Do look relaxed, calm, positive and energized when watching your child compete. Your attitude influences how your child feels and performs.
- Do have a life of your own outside of your child's sports participation.

with Other Parents:

- Do engage other parents/guardians at events. Socializing can make it more fun!
- Do volunteer as much as you can. Youth sports depend upon the time and energy of involved parents.

- Do police your own ranks: Work with other parents to ensure that everyone behaves appropriately at practices and competitions (and involve BCST Coaches when someone does not).

with Coaches:

- Do leave the coaching to the coaches.
- Do give them any support they need to help them do their jobs better.
- Do communicate with them about your child. You can learn about your child from each other.
- Do inform them of relevant issues at home that might affect your child at practice.
- Do inquire about the progress of your child. You have a right to know.
- Do make the coaches your allies.

for Your Swimmer/Athlete:

- Do provide guidance, but do not force or pressure them.
- Do assist them in setting realistic goals for participation.
- Do emphasize fun, skill development and other benefits of sports participation—e.g., cooperation, competition, self-discipline and commitment.
- Do show interest in their participation: help them get to practice, attend competitions and ask questions.
- Do provide a healthy perspective to help them understand success and failure.
- Do emphasize and reward effort rather than results.
- Do understand they may need a break from sports occasionally.
- Do give them some space when needed. Part of sports participation involves them figuring things out for themselves.
- Do keep a sense of humor. If you are having fun and laughing, so will they!
- Do provide regular encouragement.
- Do be a healthy role model for your child by being positive and relaxed at competitions and by having balance in your own life.
- Do GIVE THEM UNCONDITIONAL LOVE: SHOW THEM YOU LOVE THEM WHETHER THEY WIN OR LOSE!

DON'TS

for Yourself:

- Don't base your self-esteem and ego on the success of your child's sports participation.
- Don't care too much about how your swimmer performs.
- Don't lose perspective about the importance of your child's sports participation.

with Other Parents:

- Don't make enemies of other parents/guardians.
- Don't talk about others in the sports community. Talk with them. It is more constructive.

with Coaches:

- Don't interfere with their coaching during practice or competitions.
- Don't work at cross-purposes with them. Make sure you agree philosophically and practically on why your child is playing sports and what he or she may get out of sports.

with Your Swimmer/Athletes:

- Don't expect your children to get more from their sports than fun, healthy physical activity, mastery and love of a lifetime sport and transferable life skills.
- Don't ignore their bad behavior in practice or competitions; deal with the inappropriate behaviors swiftly and constructively to reduce the likelihood of it happening again.
- Don't expect your child to talk with you when they are upset. Give them some time.
- Don't make children feel guilty for the time, energy and money you are spending and the sacrifices you are making.
- Don't think of your children's sports participation as an investment for which you expect a return.
- Don't live out your own dreams through your children's sports participation.
- Don't compare your children's progress with that of other children.
- Don't badger, harass, threaten or use sarcasm or fear to motivate children. It only demeans them and causes them to dislike you.
- Don't expect anything from children besides their best effort.
- Don't do anything that will cause your child to be embarrassed.
- Don't show negative emotions while you are watching your child at a competition.
- Don't EVER DO ANYTHING THAT WILL CAUSE THEM TO THINK LESS OF THEMSELVES OR OF YOU!

SECTION 5 – PARENTS ON DECK

In keeping with BCST goals of providing an optimum training environment for all swimmers, **we strongly encourage parents not to spend time on deck during workouts.** Parents are welcome to view workouts from the "Splash" viewing area or on the benches along the south wall of the Recreation Pool.

SECTION 6 – UNSPORTSMANLIKE CONDUCT, HARASSMENT AND BULLYING

Unsportsmanlike conduct, harassment and bullying will not be tolerated at the BC under any circumstances and may result in immediate suspension from the team, pending further review by BCST Head Coach and the BC Athletic Director and General Manager.

UNSPORTSMANLIKE CONDUCT: Displaying behaviors inconsistent with the Vision, Mission and Values of the Club such as disrespecting another individual or group, being discourteous to others, displaying bad temper, using inappropriate language, raising voices, being unfair or knowingly violating the rules, cheating, etc.

HARASSMENT: Harassing behaviors of any nature that have the purpose or effect of unreasonably interfering with an employee's or coach's work performance, with a swimmer's participation in the program, or in any way creates an intimidating, hostile or offensive environment, may result in immediate suspension from the team, pending further review by the BCST Head Coach and the BC Athletic Director and General Manager.

BULLYING: Bullying is considered a form of harassment and is potentially devastating to the victim, counterproductive to team spirit and may result in immediate suspension

from the team, pending further review by the BCST Head Coach and the BC Athletic Director and General Manager.

Because bullying is increasingly prevalent in contemporary life, we will provide more detail on this important topic in separate handouts and team awareness and training sessions every season.

The USA Swimming Code of Conduct specifically prohibits bullying. Should anyone become aware of a bullying incident, he/she is expected to immediately report the matter to his/her coach, the Head Coach or the Athletic Director. The BC considers the act of bullying as defined in this document to include and apply to all BC members, guests and BCST affiliate families.

SECTION 7 – BC RULES AND REGULATIONS AGREEMENT FOR BCST MEMBERS (SWIMMERS/ATHLETES AND PARENTS/GUARDIANS)

As parent(s)/guardian(s) of swimmer(s) on the BCST, or as swimmer(s) on the BCST, my/our signature below acknowledges that I/we have received, that I/we have read, and that I/we agree to abide by the standards and guidelines outlined in the **BCST Code of Conduct documents and the BC Rules and Regulations** referred to in this document as long as we are BC members, BCST program participants, and BCST affiliates. Game Room: The Game Room is open to all swim team members who need a place to go before/after practice. There should be no wandering around the club.

Hot Tub Use: Swim team members should NOT be in the hot tubs on the pool deck during swim team hours, regardless of club membership status. Hot tubs are off limits during swim team hours.

LOCKER ROOM CONDUCT

Do not leave valuables in the locker room. Use your own locks. Do not share combinations.

The General Manager or an assigned manager on duty shall have the authority to remove any member or guest from the Club premises for conduct that is judged to be prejudicial to the welfare of the Club.

The Bellevue Club Swim Team Social Media & Communication Policy

BCST recognizes the prevalence of electronic communication and social media in today’s world. Given that our athletes use social media as their primary source of communication, the Club has established a policy for acceptable use of social media and electronic communication by our athletes. This policy is essential for BCST to provide a safe and positive environment for all its athletes, officials, parents, and coaches.

All BCST participants agree to be filmed and photographed by the host club approved photographer(s) and videographers and to allow the right to use names and pictures before, during, or after the meet such as in public psych sheets, heat sheets, and results or featured on the host club or BCST website or social media or in public broadcast of

the event via television or webcast. Parents and guardians of minor swimmers who do not wish their swimmers to participate in interviews or have individual pictures featured on any media should inform fill out our Photography waiver form at the beginning of the season or inform Head Coach Andrew Nguyen.

ACCEPTABLE USE POLICY:

Each BCST athlete must exhibit ethical and responsible conduct in all online communications and activities and respect the rights and privacy of all other BCST, PNS, and USA Swimming athletes, coaches, officials, and parents. BCST prohibits cyberbullying or cyberstalking of any athlete, coach, or official by any means or method, including but not limited to the use of Facebook, Instagram, Text Messaging, Instant Messaging, Twitter, E-Mail, and SnapChat. Cyberbullying and Cyberstalking are unacceptable and will not be tolerated.

CYBERBULLYING:

Cyberbullying is bullying that takes place using electronic technology of any kind. Cyberbullying involves the use of electronic information and communication technologies to support deliberate or repeated harassment, intimidation and/or hostile behavior by an individual or group through personal attacks, threats, or other means that harms others, whether intentional or not.

Examples of cyberbullying includes mean text messages, emails, tweets, or posts including rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles.

CYBERSTALKING:

Cyberstalking involves the use of electronic information and communication technologies to communicate words, images, or language directed at or about a specific person, causing substantial emotional distress to that person. Harassing, intimidating, and hostile mean any electronic communication that is perceived as being motivated either by any actual or perceived characteristic including race, color, ethnicity, religion, gender, sexual orientation, physical attributes, socioeconomic status, physical or mental ability or disability or any other characteristic related to athletic performance that a reasonable person should know under the any of these circumstances:

1. Will have the effect of harming another athlete or has the effect of substantially interfering with another athlete's performance or opportunities.
2. Has the effect of having a negative impact on another athlete's emotional or psychological well-being.
3. Has the effect of insulting or demeaning another athlete to cause disruption in or substantial interference with practice, any swim meet, or any other BCST related activity.
4. Has the effect of creating a hostile environment for any athlete at any USA Swimming activity or swim meet.
5. Has the effect of substantially disrupting the training process or the orderly operation of any BCST practice, workout, or other events or swim meets of any other club or high school.

REPORTING:

If cyberbullying or cyberstalking does occur, the incident will be dealt with promptly.

Any athlete who is being bullied or stalked or is aware of any such bullying or stalking occurring is asked to talk to his or her parents or talk to a BCST coach. When an athlete talks to his or her parents or a coach, the athlete should also show to the parents or the coach the electronic communication that constitutes the incident. Safeguarding the electronic communication as evidence of the bullying or stalking will help BCST conduct its investigation of any incident. While there is no time limit for reporting bullying incidents, reporting quickly gives the Club an opportunity to address the situation immediately and stop the bullying.

Upon receiving a report of cyberbullying or cyberstalking, the Head Coach will commence an investigation of the incident. The results of the investigation may include but are not limited to immediate temporary suspension from the Team/Club or immediate permanent expulsion from the Team/Club.

BCST takes cyberbullying and cyberstalking seriously and all athletes and parents can be assured that BCST will support them when an incident is reported. Any type of bullying and stalking is counterproductive to the team atmosphere and team spirit BCST wants to maintain and foster on a daily basis. Again, BCST is committed to providing a caring and supportive environment for all of our athletes.

ACCEPTABLE COMMUNICATION POLICY:

All communications between a coach or other adult and an athlete must be professional in nature and for the purpose of communicating information about team activities. The content and intent of all electronic communications must adhere to the USA Swimming Code of Conduct regarding Athlete Protection.

For example, as with any communication with an athlete, electronic communication should not contain or relate to any of the following:

- drugs or alcohol use;
 - sexually oriented conversation; sexually explicit language; sexual activity
 - the adult's personal life, social activities, relationship or family issues, or personal problems; and
 - inappropriate or sexually explicit pictures
- Note: Any communication concerning an athlete's personal life, social activities, relationship or family issues or personal problems must be transparent, accessible and professional.

Whether one is an athlete, coach, or parent, the guiding principle to always use in communication is to ask: "Is this communication something that someone else would find appropriate or acceptable in a face-to-face meeting?" or "Is this something you would be comfortable saying out loud to the intended recipient of your communication in front of the intended recipient's parents, the coaching staff, or other athletes?"

Transparent: All electronic communication between coaches and athletes should be

transparent. Your communication should not only be clear and direct, but also free of hidden meanings, innuendo and expectations.

Accessible: All electronic communication between coaches and athletes should be considered a matter of record and part of the Team's records. Always, include athletes parent in the communication so that there is no question regarding accessibility.

Professional: All electronic communication between a coach and an athlete should be conducted professionally as a representative of the Team. This includes word choices, tone, grammar, and subject matter that model the standards and integrity of a staff member.

If your communication meets all three of the T.A.P. criteria, then it is likely your method of communication with athletes will be appropriate.

FACEBOOK, INSTAGRAM, BLOGS, AND SIMILAR SITES

Coaches may have personal Facebook (or other social media site) pages, but they are not permitted to have any athlete member of the Club join their personal page as a "friend." A coach should not accept any "friend" request from an athlete. In addition, the coach should remind the athlete that this is not permitted.

The Club has an official Facebook page that athletes and their parents can "friend" for information and updates on team-related matters.

Coaches are encouraged to set their pages to "private" to prevent athletes from accessing the coach's personal information.

INSTAGRAM

The Club has an official Instagram page that coaches, athletes and parents can follow for information, photos, videos and general club promotion/team spirit. Athletes can friend/follow the official BCST IG page but not individual coaches personal pages. Coaches cannot share an athlete message post. Coaches and athletes are not permitted to "direct message" each other through IG.

TEXTING AND EMAIL

Subject to the general guidelines mentioned above, texting and emailing is allowed between coaches and athletes. This communication shall be used for the purpose of communicating information directly related to team activities.

REQUEST TO DISCONTINUE ALL ELECTRONIC COMMUNICATIONS

The parents or guardians of an athlete may request in writing that their child not be contacted by coaches through any form of electronic communication.

USA SWIMMING MINOR ATHLETE ABUSE PREVENTION POLICY

Effective June 23, 2019

USA Swimming's Safe Sport committee has unveiled a new policy surrounding interactions with minors in the sport. The Minor Athlete Abuse Prevention Policy (MAAPP) went into effect on June 23rd, 2019, and can be viewed and downloaded [here](#). Additionally, here is a link to USA Swimming's page with more resources. <https://www.usaswimming.org/utility/landing-pages/minor-athlete-abuse-prevention-policy> .

USA Swimming **now requires all adult athletes to complete the online Athlete Protection Training (APT) course. This includes 17 year old athletes who must complete the training before their 18th birthday or will risk ineligibility.** Per USA Swimming, failing to complete the requirement on time “will result in an athlete’s inability to swim in a meet or at practice.” To summarize:

- All adult athletes (18 years or older) must complete the APT.
- Any 17-year-old athlete must complete the APT by their 18th birthday or risk ineligibility once they turn 18.
- Adult athletes must complete the APT every year – it expires 12 months after you complete all three courses.
- Athletes who do not fulfill this requirement will be ineligible to compete in meets or practice, and times swum while ineligible will not count for qualification to any meets.

Additional points of information:

- All electronic communication between a minor athlete and a coach must take place between 8AM & 8PM except in emergency circumstances.
- All electronic communication between a minor athlete and a coach must include a parent/guardian in the conversation/thread (in the past we've allowed any 3rd set of eyes but now it must be a parent/guardian as per the MAAPP).
- No coach may friend/follow a minor athlete or have a minor athlete as a friend/follower on any social media account. Coaches may not send any type of instant/direct message to a minor athlete through any social media platform.
