Bend Swim Club Newsletter

Good Afternoon and Happy Friday Everyone!

There is actually not a lot of pressing BSC news right now. We have settled into the rhythm of practices quite nicely and after speaking with the coaches at our last meeting, we are all very happy with how practices have been going. A HUGE shout out to Coach Stacey and all the parents who helped out making the AG1 time trials such a success! For the rest of you, we are working on doing a sanctioned intra-squad meet soon so that we can get some racing back into our systems! Stay tuned for information about that.

Mask/Social Distancing Reminder:

I'm sure that most of you are aware already, but positive cases in Oregon and Deschutes county have been increasing as of late. Overall, we have been doing a good job making sure that we are wearing masks and maintaining social distancing while we are waiting to enter the pool, in the pool or waiting for our swimmers. However, please be sure to stay diligent about this and remember to wear masks to and from practice. We worked with Bend Parks and Rec to develop our COVID P&P so that we would be able to continue practices in a safe manner for everyone. You can find a copy of that [here](#).

Thank you all for everything you do to make the BSC great!

Swim hard. Be Strong. Think BIG!
Christopher

Group Move-Up Reminder

This is just a quick reminder; if your coach has spoken with you about moving up and you haven't started in your new group yet, you will start on Monday, October 12th. If you have any questions please be sure to ask your group coach. Additionally, if you have any questions regarding some of the criteria we use for each group, please be sure to check out the BSC Athlete Development Plan [here](#). Again, please be sure to ask if you have any questions.
