Hello,

The Newport Swim Team (NST) has proudly represented the City of Newport Oregon for over 40 years. The NST provides a swim program that emphasizes competitive training and physical fitness. We focus on team unity in a directed positive atmosphere. The organization, in partnership with its families, strives to produce successful members of the community.

We average 50 swimming members that range in age from 6-18. Within all these age groups we have swimmers compete locally, at the state level, regional level, and national level. The team is dedicated to instilling a love of competitive swimming and sportsmanship and skill levels with a year-round swim program. Almost all our high school club members swim for the Newport High School. **NST is proud to be a feeder team for NHS.**

Aside from the physical, social, and development benefits, competitive swimming is a fun and exciting sport. Even though it can be a lot of work, swimming is a low impact activity and reduces stress on the joints therefore is the most injury-free sport for children.

The Newport Swim Team is a nonprofit board run organization. The board is made up of parent volunteers who give up substantial amount of their time to help provide a positive experience and a safe environment for the swimmers. NST is built upon the commitment, support, and participation of the board, coaches, swimmers, parents/guardians, and the community at large.

Fundraising is an enormous part of our organization. We hope that you will consider one of the sponsorship opportunities detailed on the other page and that one of the options will benefit your business, as it helps our organization, or donate. Funds raised are used to keep our fees reasonable for swim families, accessibility, community inclusiveness, equipment, pool rental, coaches' salaries/travel, and scholarships.

We deeply appreciate your support!

Thank you for your time and consideration. With your help we look forward to keeping the Newport Swim Team a valuable resource for our community.

For questions please email kaseyreneep@gmail.com.
