

## **Corvallis Aquatic Team COVID-19 Health and Safety Agreement**

The Oregon Health Authority has implemented new guidelines for swimming pools during Oregon's Reopening Phase 2. Osborn Aquatic Center and Corvallis Aquatic Team are committed to following these guidelines in order to control the spread of the COVID-19 virus.

Members of the Corvallis Aquatic Team, including swimmers, coaches and other staff, parents/guardians, and other visitors agree to comply with the following during practice times at Osborn Aquatic Center. These rules will be in place until further notice.

1. All persons over age 2 must wear a mask or face covering while on the Osborn premises, other than when in the water. Swimmers should remove their mask prior to entering the water and replace it immediately upon exiting the water.
2. No person shall enter Osborn Aquatic Center for practice or as a spectator if:
  - a. They or a member of their household are experiencing the symptoms of COVID-19, including but not limited to mild to severe respiratory illness with fever, cough, or difficulty breathing.
  - b. They have been in contact with any individual who has tested positive for COVID-19 in the previous 14 days.
3. All swimmers, coaches, and visitors to practice must remain at least 6 feet away from other people, other than members of the person's own household, while on the Osborn premises.
4. Swimmers must proceed immediately to the end of their pre-assigned lane when arriving at Osborn. Locker rooms will not be open so swimmers should arrive and leave the pool wearing their swimsuit. Swim bags should be placed at the end of the swimmer's lane and any personal items, including masks, should be kept in the bag when not in use.
5. Swimmers must leave the facility immediately after their practice time is complete. If your swimmer is to be picked up, please be on time as they will not be able to wait in the lobby or elsewhere in the building. Swimmers who drive, bike, or walk themselves to and from practice may not gather in the parking lot or elsewhere on the Osborn or surrounding property.

More information on Oregon's Phase 2 guidelines for pools can be found [here](#).
