

COVID-19 Safety and Drop Off & Pick Up Procedures - Splashers

Effective August 30, 2021

The health and safety of our swimmers, coaches and community are paramount during the COVID-19 outbreak. The following procedures must be followed until further notice for lessons participants. Please ensure that your family understands the following procedures and read all communications from Splash Club during this time to receive important safety updates. Questions? Please contact [Coach Chad](#).or [Coach Jenny](#).

Facility Entrance

Swimmers and parents are required to enter the facility via the West doors to the gymnasium located on Jennings Avenue (the "Alternate Entrance"). These are the only doors that may be used to enter or exit the facility for lessons. (See [map](#))

Safety in Drop Off & Pick Up Zone

Please use extra caution and be patient when approaching and exiting the drop off and pick up zone on Jennings Avenue and keep your speed low. Drop off and pick up is one-way, heading north on Jennings Ave. **Do not have your child cross the street during drop-off and pick up.**

Timely Drop Off & Pick Up

Excepting the On Your Mark level, swimmers may be dropped off before lessons. Swimmers MUST be dropped off and picked up ON TIME. The doors will be locked outside of the pick up/drop off window and we do not have extra staff to let swimmers/spectators into the facility outside of these windows.

****Swimmers in the On Your Mark group must have a parent in attendance during the lesson and may not be dropped off.****

Drop Off	10-minute window beginning 15 mins before lesson start time	Example Lesson Time: 5:15-5:45 Drop Off Time: 5:00-5:10 Pick Up Time: 5:50-6:00
Pick Up	10-minute window beginning 5 mins after end of lesson end time	

Symptoms of Illness

Swimmers and parents/spectators must NOT enter the facility if they are displaying any symptoms of illness, if they are in quarantine, or have been in close contact with someone who has COVID-19.

Masks Required

Swimmers and parents/spectators are required to wear face coverings while in the facility (except in the water). Instructors will wear face shields during water instruction time.

Limited Facility Patrons

To limit the amount of traffic in the facility, we ask that only 1 parent attend lessons with their child. We prefer that siblings and other guests remain at home so that we can limit the number of patrons in the facility. Parents/spectators will need to sit in the bleachers during class.
