

Splash Club COVID-19 Safety Procedures

The health and safety of our swimmers, coaches and community are paramount during the COVID-19 outbreak. The following procedures MUST be followed until further notice if your swimmer chooses to return to swimming. Please ensure that your swimmer understands the following procedures. Read all communications from Splash Club during this time to receive important safety updates.

Swimmers & families are expected to rigorously adhere to the following steps.

▶ **Facility Entrance**

Swimmers are required to enter the facility via the West doors located on Jennings Avenue. These are the only doors swimmers can use to enter or exit practices.

▶ **On-Time Drop Off & Pick Up**

Swimmers MUST be dropped off and picked up ON TIME. Families will have a **10-Minute** window before to complete our drop off procedures. **Please wait for the thumbs-up from our screener before driving away from the facility.** Families will have 10 minutes after the conclusion of practice to pick up their swimmer.

▶ **Face Coverings**

Swimmers are required to wear face coverings at all times while in the facility (except in the water). If your child arrives at the pool without a face covering they will be sent home.

▶ **Screening**

Swimmers will be screened prior to entering the facility via a no-contact temperature check. Swimmers that register a temperature will be sent home. Please wait for the thumbs-up from our screener before driving away from the facility. Do NOT bring your child to the pool if they are displaying any symptoms of illness.

▶ **Limited Patrons in Facility**

Only 12 swimmers will be allowed in the water at a time (2 per lane). Temporary training groups of 12 swimmers have been created. NO parents or siblings are allowed in the facility at this time.

▶ **No Locker Rooms**

Locker room changing areas will NOT be available. Swimmers should wear their suits to and from the pool. NO deck changes are permitted per USA Swimming's Safe Sport requirements.
