Parent Volunteer Requirement

We host incredible meets at the Jenks Trojan Aquatic Center, and we are only able to do so with the support of our Parent Volunteers! Each family is required to volunteer for 15 hours per season at USA Home Meets. There are two seasons per year- Sep to Feb, and Mar to Aug. Volunteering is not dependent upon your swimmer(s) competing.

A fee of \$20 per hour not fulfilled will be assessed on Feb 28 and August 31 or prorated for any swimmer withdrawing mid-season. Any family member or friend over the age of 14 may help.

Fee Structure

Upon Registration, expect to pay the Pool Fee, USA Registration, and your first month of Tuition. We always recommend new families begin with the Monthly Tuition option.

- **Pool Fee**
 - Joining between 8/1 - 2/28 \$120/swimmer (Family Max \$240)
 - Joining between 3/1 - 7/31 \$60/swimmer (Family Max \$120)

- **USA Registration** Joining Between 8/1 - 7/31 \$82/swimmer

Meet fees typically range from \$25-\$85

Tuition is always billed in advance, and meet fees are always due the following 1st of the month. For example, your May 1st bill would include May's Tuition, and fees from any meets swam in April. We encourage new families to plan on attending about 1 meet per month.

We just finished our Tryout, so where do we go from here?

After tryouts have concluded, you will be contacted by email with the results. We have several different levels within our program, as well as more opportunities through additional programs offered from the Aquatic Center. Every candidate will receive a group recommendation, and the results email will have instructions for next steps.

Swimmers that qualify for the team will be offered a trial week to make sure that it's right for the family. The trial week for this tryout starts on Monday, March 29th! New swimmers will be asked to register by the following Friday, April 2nd.
