MEET SERVICE REQUIREMENTS 2022 – 2023 SEASON

The service requirements explained below apply to meets held at the Rec-Plex and hosted by the Sharks. Home meets are a major source of income for the Sharks, and thus help lower the cost of swimming for everyone. Accordingly, we require all Sharks families to make a minimum investment of time and effort to ensure their success.

If one or more children of a family are entered in a meet, then one family member will be scheduled to work **each session that they have a swimmer(s) swimming.** If a family member does not show up on time or does not work the entire assigned session, the family will be assessed \$100.00 for each missed or uncompleted session, the swimmer (s) will not be able to swim the next session they are entered in at a home meet and their meet fees will not be refunded. **Swimmers will not be entered in any future meets until the assessment is paid.**

If unavoidable circumstances occur and a family **cannot work their entire scheduled sessions,** then they may:

1. Ask another family to substitute for them.
2. Explain the circumstances to the team administrator or meet director and reach a resolution at least 2 days prior to the meet.

If your child does not compete in any meets during the season, your family must still fulfill a minimum work duty equivalent to one full day of one home meet during the 2022-2023 season. One full day means two sessions, served consecutively on one day of competition, or split between two days. If this obligation is not met, the family will be assessed \$100.00 for each unfulfilled session.

Thank you in advance for your support: Meets hosted at the Rec-Plex are among the most popular and best attended in the Ozark LSC. ***Your active involvement helps make that happen!***
