## NOTES:

YMCA District and National Policies state all team members must be annual members of the local YMCA they compete for as described in "Rules that Govern YMCA Swimming".

All new members to the club must be evaluated by a member of the Coaching Staff prior to registration.

This form should be completed in full and returned to the YMCA upon registration. Additionally, a USA Swimming registration form must also be completed for new swimmers to the team. If swimmers previously swam with another USA Swimming team, a USA Swimming transfer form must also be completed.
