

Saluki Swim Club News – January, 2013

Swim Meet Sign up Deadlines and Meet Explanations –

There have been a lot of changes to the end of the season meets in our LSC (local swim committee) – Ozark Swimming. There are now 3 different swim meets that seek to satisfy the needs of all swimmers. When looking at these swim meets, there are two factors that will help you determine which meet is right for your swimmers. Age groups are different for different meets (Ozark Senior Championship is the only swim meet for swimmers 15 & older) and time standards. I have attached the time standards to this email, you want the SCY – short course yards time standards. I will also allow the events to be shown for each meet so that when you sign up, you will be able to see which events your swimmer is eligible to swim in. You can find more information about each individual meet on the website on the events page under each individual swim meet.

Ozark Division II Championships Feb. 8-10 – St Louis, MO

This is a championship meet for 14 & under swimmers. 13-14 swimmers can have BB times or slower (no A or faster times). 10 and under and 11-12 swimmers can have B times or slower (no BB or faster times). So this is a good meet for swimmers who have not qualified for other meets or are just getting started in the sport. This is also the last chance for 14 & under swimmers to achieve BB times and qualify for Ozark Division I Championships. **The sign up deadline is Friday, January 25!!**

Ozark Division I Championships Feb. 22-24 – St Peters, MO

This is a championship meet for 14 & under swimmers who have achieved BB or faster times. This is the meet previously known as Ozark Championship. **The sign up deadline is Sunday, Feb. 10 !!**

Ozark Senior Championships Mar. 1-3 – St Louis, MO

This is a championship meet for 15 & older swimmers (the only meet for 15 & older swimmers) with times that are slower than NCSA Junior National times (you may not swim an event if you have NCSA cuts in that event). A minimum of a B time is required to compete in the 400IM, 500 free, 1650 free and an athlete shall not faster than the NCSA cut. **The sign up deadline is Friday, Feb. 15!!**

Winter Session 2013

Welcome to the Winter session! We are back to normal schedule and will remain on normal schedule for most of the session. There will be a few days in February during the SIU Women's Conference Championship meet that we will have practice schedule changes. Please keep an eye on the website for schedule changes.

Statements for Winter session will be mailed on January 15. If you have any questions about your statement, please contact Coach Jay Newton – jamesnewton47@hotmail.com. If you are not receiving regular emails and updates, please contact Coach Jay. If you have not already logged in to the website, please do so. The website and email are two of our main forms of communication. It is important that you check the website periodically and look out for emails in order to stay informed.
