### A Quick Note From the SIU Rec Center Administration

I have been asked by the SIU Rec Center Administration to pass along a couple of important messages to all of our swim families. For the safety of all swimmers, please make sure to drop off swimmers at the turn around at entrance to the Rec Center. Please make sure not to drop off swimmers in other areas of the parking lot. There are many college students driving through the parking lot and they do not always paying attention. If our swimmers are walking through the parking lot without parents, it could be a dangerous situation. Second, please make sure that our swimmers and siblings are not running in the Rec Center. Thank you for your help in this matter.

### Volunteers Needed for Ozark A Championship Meet Friday, Nov. 16- Sunday, Nov. 18

We are hosting the Ozark A Championship Meet this coming weekend. This is a high level meet with qualifying times, so we only have a few swimmers competing in the meet. Still we will need to fill some worker positions. Even if your swimmer is not in this meet, you can still volunteer to work and receive credit for your worker requirement. We do not have to provide all the workers for the meet so mainly we need help with safety marshals, hospitality workers, awards workers, and a few timers. Also we need help running the console if there are any experienced console operators who are available to work. Thank you in advance for your help. As always, hosting meets helps to provide funds for Saluki Swim Club!

### Saluki Merry Swim Invitation Sign up Deadline is Friday, Nov. 23

Our next (and last home meet until May) home meet is the Saluki Merry Swim Invitational on Saturday, December 8 – Sunday, December 9. This meet is good for swimmers in all groups. Also this will be the last opportunity for Boy High school swimmers to achieve times without going to a meet out of town. This meet will offer all age groups in one session each day. This is the last opportunity to earn parent worker credits for the Fall session.
