

ABOUT SALUKI SWIM CLUB...

The not-for-profit Saluki Swim Club (SSC) is a year-round competitive swim team for ages 5-18. SSC includes a Swim School designed to develop beginning swimmers into confident, safe, recreational swimmers and/or to progress to the SSC Team. The team competes in local, regional, and national level events throughout the year. SSC practices at the Shea Natatorium in the Student Recreation Center on the campus of Southern Illinois University. SSC has been in existence for over 30 year and currently has over 100 team members with a motivated and experienced coaching staff of 3 plus additional lessons instructors.

Saluki Swim Club's purpose is to organize, support, and promote aquatics in Southern Illinois through education, training, and competition; to help develop in each athlete a spirit of leadership and independence; and to promote aquatics safety, athleticism, and sportsmanship.

In a typical year, the team hosts 5 to 7 meets on SIU's campus, and the team travels to an addition 6 to 7 meets each swim season. Other competitive swim teams travel from Cape Girardeau, St. Louis, Evansville, and beyond to attend SSC home meets. When hosting the "A" Championships, between 500 and 600 families come to town to participate in the 3-day meet.

SSC makes every effort to keep our enrollment fees low despite rising costs. We strive to provide the opportunity for all families with young children to be able to learn to swim in our swim school or compete with our swim team. There is a tremendous amount of team camaraderie and fun that takes place over the year, and many friendships are made.

Please see the sponsorship form to choose the best level of support for your business. Also, we would be happy to work with you on additional unique arrangements to make your message even more powerful.
