Parent Work Requirement

Saluki Swim Club established the *Parent Work Requirement* to help in staffing our meets so that they run smoothly and offer all athletes a good competitive experience. Without the help of dozens of people, we are simply unable to run meets effectively. Hosting meets at the Shea Natatorium helps the club in 3 ways. First, meets offer competitive opportunities that many of our athletes otherwise wouldn't have. Shea is a wonderful competitive facility, and our swimmers frequently have good performances there. Second, the meets are good sources of revenue. They enable us to keep our fees affordable for the greatest number of families. Finally, meets at Shea offer us the opportunity to attend a meet at home with no travel costs involved.

Parents are required to work a minimum of 3 sessions per family at Saluki Swim Club sponsored meets that have 5 sessions. Parents may sign up by contacting the meet coordinator by phone, email, or via the Saluki Swim Club website. The duties for parents are to be assigned on a "first come, first serve" basis by the meet coordinator following the request of the family. Parents must sign-up to work the meet at least 1 week prior to the beginning of the first session for the meet.

At the beginning of all swim sessions (spring, summer, fall, and winter) each family will be assessed a \$75 work fee. Families that satisfy the work requirement will receive a credit to their account the next billing cycle. It is the responsibility of each family to find a representative to work in their place if they are unable to fill their work requirement. In the event a family does not sign up, or is unable to meet the work requirement, the \$75 will become part of the Saluki Swim Club worker fund and will be used as necessary to hire individuals to work the meet in their place. Parents **may** be further compensated from this fund if they work beyond their required member of sessions. Parents that work as officials at away meets **may** be compensated from this fund

Main points:

- The work requirement applies to every Racing Team family. Minimum 3 sessions per meet must be worked.
- A parent or family representative must work at every session that the family's swimmer is entered
- It makes no difference whether your child participates in the meet that we host or not. The requirement still applies.
- The **\$75** mentioned in the policy is charged up front at the beginning of all swim sessions (spring, summer, fall, and winter). The \$75 will be credited back to accounts as the requirement is met. You will see this charge on the first bill you receive in each of the sessions.
- If you are unable to sign up and work your 3 required sessions you are responsible for finding a representative to fulfill your parent worker requirement.
- If your swimmer makes finals – you will be required to check with the meet director and see if any worker positions are open and fill those positions as necessary.
