Dear Business Owner:

Piranha Swimming is a year-round community age group swim team, which promotes the sport of competitive swimming and benefits over 85 young Sonoma County swimmers. Offering more than 25 years of experience, Piranha Swimming is the premiere aquatic program in the North Bay. We teach lifelong skills to our local youth while providing a supportive, team-building atmosphere. We train locally in Rohnert Park at Honeybee Pool and compete all year in Sonoma County and beyond, annually traveling out of state for various high-level competitions. We are proud of our low swimmer-to-coach ratios that allow us to ensure each swimmer receives individual attention to produce the highest results in and out of the water. While we pride ourselves on having nationally-ranked swimmers, it is our unique swimming community and camaraderie among all levels of our swimmers that sets Piranha Swimming apart. Not only do our loyal youth exercise their bodies and improve their minds, they get to compete, build friendships and develop a love of swimming: a lifelong sport.

As with most community athletic teams, we rely a great deal upon fund-raising events for support of the team throughout the year. One of our major fund-raising events is our annual Crab Feed which will be held this season on Saturday, March 2, 2013 at the Rohnert Park Community Center. What makes this fund-raiser a success is the generous donations that will be used as Raffle and/or Silent Auction prizes. Your company name is visible to those attending the Crab Feed and your business will be acknowledged on the fund-raising page of the team's highly visible website. We anticipate as many as 500 people to attend this fund-raising event. Any donations are welcome including gift certificates.

If you need additional information about the team please visit our website at www.piranhaswimming.com or contact Tobi Honey. Donations can be mailed directly to the team at 979 Golf Course Drive, Suite 142 Rohnert Park, CA 94928. We sincerely appreciate your consideration for support with this fund-raising event.

Thank you,

Rohnert Park Swim Club: Piranha Swimming
