Hello SCSC Members,

We continue to monitor the CDC and the Department of Environmental Health of Santa Clara County.

As many of you know, the County of Santa Clara and the Schools Superintendents are closing schools around the county.

The County Public Health Department issued a mandatory order prohibiting public or private gatherings of more than 100 people. This order will take effect at 12:00 a.m. on March 14, 2020 and will remain in place for at least three weeks. Public Health is also banning gatherings of 35 to 100 people unless certain conditions are met to reduce the likelihood of transmission at those events." [Santa Clara County of Public Health](#)

As we are following the guidelines set by the county and for the safety and well being of our members and staff, we will be closing all lessons and practices effective March 14, 2020 thru April 7, 2020. We will keep you updated as more information becomes available.

Thank you for your cooperation and support.
