

# Q1 When the Santa Clara Swim Club is able to reopen, do you plan to resume practices?

Answered: 276 Skipped: 0

ANSWER CHOICES		RESPONSES	
Yes		75.00%	207
Unsure		22.10%	61
No		2.90%	8
TOTAL			276

#	IF YOU ANSWERED UNSURE OR NO (PLEASE EXPLAIN)	DATE
1	I would want to understand what precautions you are taking to ensure we feel comfortable that our swimmer will be safe.	5/28/2020 9:49 AM
2	Depending on the date.	5/27/2020 12:30 AM
3	depends on how the practice will be handled and covid infection rate in the community. 1. If no good process or planned process how practice will be handled to avoid being infected with covid-19 then No 2. If there's still reported cases of covid-19 in the area, then No	5/26/2020 8:08 PM
4	It depends when the club actually opens and how well the virus has been controlled.	5/26/2020 5:29 PM
5	Depends on how SCSC implements the necessary safety measures	5/26/2020 3:43 PM
6	We sure want to get back to swimming but also want to make sure it is opened when it is safe for the kids, right now the covid cases seem to be still rising and with new findings on the impact of covid on kids health we want to make sure it is safe before they resume swimming thank you	5/26/2020 12:27 AM
7	My decisions will depend on the level of risk, precautions in place and physical/health conditions of my child at the time of opening.	5/25/2020 5:57 PM
8	Incidence of Corona cases	5/25/2020 4:12 PM
9	Virus.	5/25/2020 3:54 PM
10	need to understand how safe it would be for the swimmers	5/25/2020 2:54 PM
11	Our nephew will be returning home after June 5 and will return around Aug 1. He will rejoin when he returns	5/25/2020 2:22 PM
12	Provided procedures are clearly laid out and followed we would come.	5/25/2020 12:43 PM
13	Safety is first.	5/25/2020 11:31 AM
14	Attendance would very much depend on the specifics of the reopening plan and the safety measures in place - testing of coaches & athletes, social distancing & cleaning and limiting high risk individuals	5/25/2020 11:09 AM
15	It will depend on what social distancing policies you put in place	5/25/2020 12:31 AM
16	It depends on the procedures that Scsc puts in place. It's very difficult for kids to remember to social distance.	5/24/2020 9:09 PM
17	Safety and sanitation concerns	5/24/2020 8:36 PM
18	Would like more information about how social distancing will be maintained, and what kind of a plan will be put in place for sanitizing the pool deck and other pool accessories. Also if thermal screening Will be done before entering the pool	5/24/2020 5:04 PM
19	I'm seriously considering going back to Taiwan for the summer where life and swimming continues as normal! If the SIP orders are going to continue until August, that's the end of the swim season!	5/24/2020 2:41 PM
20	Depends what on how they will carry out health and safety measures	5/24/2020 12:44 PM
21	I'm still worried that many children training together will be a risk for the virus to spread.	5/24/2020 10:54 AM
22	It would depend on how far apart swimmers are. Nothing indoors should be open including restrooms.	5/24/2020 10:22 AM
23	For precautionary measures until definite medical directives are clear.	5/24/2020 9:38 AM
24	It depends on how SCSC addresses social distancing in the water.	5/24/2020 9:07 AM
25	I am interested in sending my two kids to swim practice if there are rules in place (which are enforced) that help keep them safe. Masks on the pool deck, no locker rooms (except to go to the bathroom), no dryland, no food and constant cleaning.	5/24/2020 8:56 AM
26	Ok for older kids 10 & +, but not sure for my younger one (8 & under)	5/24/2020 8:42 AM
27	Depends on how the club will manage safety of all the kids during this time	5/24/2020 8:38 AM

28	Depends on covid 19 situation. There is no confidence that attending practice is safe at the moment as no much have changed in terms of how easy it is to get sick, and treatment.	5/24/2020 6:21 AM
29	Depends on safety measures adopted by the club	5/24/2020 6:05 AM
30	Depends on when and the pandemic situation.	5/24/2020 12:38 AM
31	There are more infected people today than there were when the pool shut down. Given that kids are close to each other at various points, I don't think it is a good idea to resume practices. Unfortunately, this is detrimental to the kids training, but I see no reason to think that it is safe to resume practice. Regardless of State of California guidelines, only the availability of a vaccine will give me the confidence to send my kids swimming.	5/24/2020 12:02 AM
32	Depends on what SCSC' return to practice plan. Safety is paramount.	5/23/2020 11:39 PM
33	Depends on the safety measures implemented	5/23/2020 10:51 PM
34	Conv19 uncertainty concern	5/23/2020 10:38 PM
35	There are too many kids in one class right now and I would be concerned that the children will not be able to maintain a safe distance from each other during practices.	5/23/2020 10:21 PM
36	First, we want to hear from the US Swim to confirm it is safe that Covid-19 does not spread in pool water through eyes. The swim practice needs some changes to be safe. Only 2 kids in one lane swimming in opposite directions is acceptable. No talking is allowed in the pool between kids.	5/23/2020 10:20 PM
37	Scared to get infected. Too many people	5/23/2020 10:16 PM
38	Depends on how practice will be set up	5/23/2020 9:50 PM
39	Need to know how SCSC will comply and ensure the social distance rules in the pool.	5/23/2020 9:46 PM
40	I would like to see a plan to see how to practice during covid 19	5/23/2020 9:35 PM
41	How will they maintain Social distance in the pool.	5/23/2020 9:29 PM
42	SCSC has too many swimmers, and I do not think you can safely keep 6 feet away between swimmers to keep kids safe.	5/23/2020 9:11 PM
43	1. Kids will not always be careful not to touch face. 2. We are also concerned about a second wave.	5/23/2020 8:53 PM
44	Will Depend on safety protocols	5/23/2020 8:51 PM
45	We want to be careful and wait until we are more sure it's safe before we return.	5/23/2020 8:48 PM
46	We don't want to take risk with children's	5/23/2020 8:43 PM
47	We would like to know the details of social distancing and safety first before making the decision	5/23/2020 8:42 PM
48	Depends on how social distancing can be achieved during practice. There are typically way too many kids per lane to have a safe distance.	5/23/2020 8:36 PM
49	It depends how long it is until we return. If it's soon then probably not, but if the swim club is one of the last things to open then yes.	5/23/2020 8:35 PM
50	We have immune compromised family living with us. It will depend on how strict the club is with safety measures.	5/23/2020 8:34 PM
51	Kids can get sick from others due to virus as it is impossible to keep them apart and there's no data yet that this is NOT water borne (exposure could be in pool or in shower room).	5/23/2020 8:32 PM
52	Too risky to get into the water at least for the next 6 months	5/23/2020 8:03 PM
53	Depends when as they kid is heading to college in fall.	5/23/2020 8:03 PM
54	Numbers of infections and deaths locally	5/23/2020 8:01 PM
55	Concern about catching the virus	5/23/2020 8:01 PM

56	Depends on when you reopen and how much control the COVID-19 pandemic is under control.	5/23/2020 7:58 PM
57	I most likely would go to practice if I get my own lane.	5/23/2020 7:56 PM
58	Depends on safety and social distancing measures will be in place.	5/23/2020 7:48 PM
59	Unsafe	5/23/2020 7:45 PM
60	I am not comfortable allowing my child to resume practices before schools open.	5/23/2020 7:43 PM
61	Safe distancing in a pool isn't possible. Sanitization at scsc facilities hasn't been communicated. Parent and ace tarot restrictions aren't being discussed. Outside food, beverages, equipment isn't being controlled.	5/23/2020 7:39 PM
62	I will wait two weeks to see monitor the number of COVID-19 cases.	5/23/2020 7:37 PM
63	Depends on covid situation, class size, precautions planned	5/23/2020 7:37 PM
64	Coronavirus risk is still high.	5/23/2020 7:37 PM
65	If Santa Clara is to open while the curve increases, I will be nervous to go to the pool.	5/23/2020 7:35 PM
66	Risk seems still very high	5/23/2020 7:33 PM

## Q2 Please select the group your swimmer belongs to.

Answered: 276 Skipped: 0

ANSWER CHOICES	RESPONSES	
Seniors	30.80%	85
Pre Seniors	21.38%	59
Gold	28.99%	80
Yellow	18.84%	52
<b>TOTAL</b>		<b>276</b>

### Q3 Are you willing to attend swim practice morning or mid-day?

Answered: 276 Skipped: 0

ANSWER CHOICES	RESPONSES	
Yes, I am flexible and can attend morning or mid-day practice.	65.58%	181
No, I cannot attend morning or mid-day practice. I prefer my previous schedule.	33.33%	92
<b>TOTAL</b>		<b>276</b>

#	IF NO (PLEASE SPECIFY)	DATE
1	preferred the evening practice due to business hours	5/28/2020 12:29 AM
2	School ends June 12th	5/27/2020 5:55 PM
3	After 3 pm works better due to online summer school	5/26/2020 3:43 PM
4	We can do morning or midday depending on time as long as it is before or after summer class	5/26/2020 11:37 AM
5	Morning practice may work. We cannot attend mid-day practices	5/26/2020 8:44 AM
6	Morning or evening works for us. Mid day is very difficult.	5/26/2020 8:22 AM
7	Both of us parents work from home so we may have meetings and it might be hard to come in between	5/26/2020 12:27 AM
8	MORNING, as previous summers; we're having other plans for the rest of the day	5/25/2020 8:54 PM
9	Except during the summer due to school	5/25/2020 4:12 PM
10	After 4pm	5/25/2020 3:54 PM
11	n/a until August; after August depends on school schedule	5/25/2020 2:22 PM
12	I can do very early (before work hours) or 5 and after	5/25/2020 9:25 AM
13	Prefer either old afternoon schedule or early morning summer schedule since we signed up summer camp starts 9am pst	5/24/2020 11:33 PM
14	I would like morning only due to summer	5/24/2020 10:21 PM
15	have class	5/24/2020 6:14 PM
16	Can do early morning practice over the summer	5/24/2020 5:04 PM
17	I am willing to go to morning practice.	5/24/2020 2:53 PM
18	Not sure. Depends on my work schedule.	5/24/2020 12:44 PM
19	I cannot make mid-day practice due to summer activities.	5/24/2020 12:39 PM
20	Summer activities	5/24/2020 12:37 PM
21	After school ends schedule will be flexible.	5/24/2020 12:31 PM
22	After 4pm any day is good.	5/24/2020 12:21 PM
23	I work full time	5/24/2020 12:15 PM
24	flexibility should include evenings and mid-day options as well. . many parents still work and do not have infinite flexibility schedules, especially during mid-day An A/B schedule may be worth considering.	5/24/2020 12:02 PM
25	My swimmer has school until June 19th so my child would not be able to attend to practices that are some time between 8 am -15:30 pm. But her schedule might be more flexible in 2 weeks	5/24/2020 11:05 AM
26	Late afternoon	5/24/2020 10:54 AM
27	During the summer we're flexible, but evenings only while school is in session.	5/24/2020 9:55 AM
28	My son will be taking some summer camp in the morning and mid-day	5/24/2020 9:46 AM
29	NA	5/24/2020 9:38 AM
30	Early morning or after 4.00 pm works best. I am an essential worker.	5/24/2020 8:55 AM
31	Either 8am in the morning or after 5pm. Both parents need to work.	5/24/2020 8:42 AM
32	I am unable to do so due to my busy schedule with school in the morning.	5/24/2020 8:35 AM
33	Both parents are working	5/24/2020 8:31 AM
34	School hours	5/24/2020 7:51 AM

35	conflicting school schedule	5/24/2020 7:40 AM
36	Working	5/24/2020 6:21 AM
37	TAsmin is in school thru 6/5	5/24/2020 12:32 AM
38	work times are still the same for the parents. While competitions are ok, swimming for extended time in the mid-day sun does not work well for my child.	5/24/2020 12:02 AM
39	Evening at usual time	5/23/2020 10:51 PM
40	Mid- day is preferred	5/23/2020 10:38 PM
41	I could attend morning but mid day will be difficult	5/23/2020 10:21 PM
42	Afternoon or evening	5/23/2020 10:20 PM
43	Work. Other commitments	5/23/2020 10:16 PM
44	For working parents, this is difficult. 4pm or later is better.	5/23/2020 9:45 PM
45	Prefer evening	5/23/2020 9:40 PM
46	My kids are still in school so cant attend morning practice	5/23/2020 9:35 PM
47	This question is unclear. If during summer, we prefer midday, as our swimmer may be enrolled in summer school. If during the regular school year, we prefer the previous schedule (3:45pm start)	5/23/2020 9:32 PM
48	I am working so can't take kids to practice midday or morning	5/23/2020 9:31 PM
49	Only morning over the summer.	5/23/2020 9:29 PM
50	Transportation issue, parents work during morning and afternoon.	5/23/2020 9:27 PM
51	Ok for summer time.	5/23/2020 9:22 PM
52	We have to leave the time for regular school meeting which is in the morning every day. However summer break we are flexible.	5/23/2020 9:09 PM
53	Flexible but prefer morning	5/23/2020 8:56 PM
54	We have other things scheduled in the morning. It's not convenient.	5/23/2020 8:48 PM
55	morning should be good, but midday time might conflict with summer camp	5/23/2020 8:48 PM
56	Will not be able to drive due to office commitments	5/23/2020 8:42 PM
57	When I return to work I won't be able to drive my son.	5/23/2020 8:39 PM
58	Early Afternoon - other classes prior to.	5/23/2020 8:36 PM
59	For summer if consistent schedule	5/23/2020 8:34 PM
60	Senior-II schedule	5/23/2020 8:32 PM
61	Evening practice	5/23/2020 8:03 PM
62	My kid is going to attend summer camps from Jun 22 - Jun 26 and from Jul 6 - Jul 10 in case the camps reopen. In this case my kid will not be able to attend morning practice during that 2 weeks. Otherwise morning classes should work.	5/23/2020 7:57 PM
63	During the school year I'm unable to attend morning or midday practice	5/23/2020 7:57 PM
64	Due to school schedule	5/23/2020 7:55 PM
65	prefer after 4pm	5/23/2020 7:53 PM
66	Due to my parents work schedule I can swim either early morning but preferably after 4pm	5/23/2020 7:52 PM
67	Would prefer morning or afternoon/evening	5/23/2020 7:51 PM
68	Conflict with work schedule.	5/23/2020 7:48 PM
69	I have (online) school until June 19th 2020 so I will not be able to attend to practices that are	5/23/2020 7:47 PM

between 8am-4pm. I might be flexible to adjust my schedule on some days tho. Summer morning practice it will be totally fine.

70	This is unclear. I can if we are talking about the summer, but obviously the kids have school otherwise.	5/23/2020 7:45 PM
71	My husband and I both work (I am working from home) and we have one child in gold and one in yellow but if we are given notice, we can make it work.	5/23/2020 7:41 PM
72	school is still in session	5/23/2020 7:37 PM
73	If morning, early morning practice schedule is preferred.	5/23/2020 7:35 PM
74	Parents have work	5/23/2020 7:33 PM

Q4 How reasonable do you think it is for Santa Clara Swim Club to operate using a model where parents and spectators cannot enter the facility to observe practices, in an effort to limit facility capacity? In this model parents would be able to view a live stream of swim practice.

Answered: 275 Skipped: 1

ANSWER CHOICES	RESPONSES	
Very Reasonable	68.73%	189
Somewhat Reasonable	16.00%	44
Doesn't Matter to Me	8.73%	24
Somewhat Unreasonable	5.09%	14
Very Unreasonable	1.45%	4
TOTAL		275

#	ADDITIONAL COMMENTS	DATE
1	This should be considered as the highest priority to minimize the infection risk	5/28/2020 12:29 AM
2	Would the live streaming be on a secure network?	5/25/2020 10:10 PM
3	There are usually no parents until it's time to pick up. I am more concerned about the social distancing among the children when there are usually so many of them in a swim lane	5/25/2020 4:12 PM
4	Our swimmer is 17. Not sure about younger swimmers	5/25/2020 2:22 PM
5	This is the only way it could be done at this time until there is a vaccine	5/25/2020 11:09 AM
6	I am only concerned about my 8 year old, but he will adjust.	5/24/2020 8:38 PM
7	Couldn't parents sit separately (appropriate distancing) in the bleachers?	5/24/2020 12:37 PM
8	pickup/car line would be major concern though. some type of parking control/enforcement is necessary	5/24/2020 12:02 PM
9	The model is not applicable because regardless of parental attendance or not, anyone from a household can be an asymptomatic carrier including children.	5/24/2020 9:38 AM
10	It's not the parents you need to be focused on controlling--they can wear a face mask--it's the swimmers in the water.	5/24/2020 9:07 AM
11	If practice starts and ends at the scheduled time , then there are no issues , sometimes coaches do end the practice early	5/24/2020 8:23 AM
12	Way to go!	5/24/2020 6:21 AM
13	Set up social distancing rules	5/24/2020 6:05 AM
14	The class sizes are too large. If possible it would be good to have smaller class sizes with more class time options	5/23/2020 10:21 PM
15	As long as spectators wearing masks, it will curtail the majority of out-spread.	5/23/2020 10:04 PM
16	I am more concerned with how SCSC will enforce social distancing for swimmers in the pool and locker rooms	5/23/2020 9:32 PM
17	this is how it should have always been	5/23/2020 9:13 PM
18	In fact this is the model that must be used to keep the kids, coaches, staff and parents safe.	5/23/2020 8:56 PM
19	If parents can watch live stream, then it's okay.	5/23/2020 8:48 PM
20	As a swimmer, I find it odd to have parents kind of spy on us during practice. But this will reduce the number of people and that's good.	5/23/2020 8:35 PM
21	I think SCSC should bar parents from watching practices as the norm. Let the coaches coach!	5/23/2020 8:34 PM
22	the highest priority is that children could swim as much as possible	5/23/2020 8:15 PM
23	Fine for my older daughter, but my 6 year old panics if I leave and do not stay for her practice. It would take some adjustment for her.	5/23/2020 7:54 PM
24	There needs to be sign ups to swim. Preferably if Stephen is there for one am session and one on session everyone can at least swim with him. Pool should be short course no more 2 swimmers/lane	5/23/2020 7:52 PM
25	this is a very responsible regulation that will make returning safer	5/23/2020 7:47 PM
26	There were incidents involving Zach where kids were hurt and he couldn't handle it. There needs to be someone with EMT training on site at all times if parents cannot be there.	5/23/2020 7:45 PM
27	Whatever works for our kids to get in the pool. I was thinking we would not be allowed to go in, and if you are able to stream it, that is great. I wouldn't worry too much about that part though...	5/23/2020 7:41 PM
28	We are in pre-senior group it doesn't matter to us, not sure about younger groups.	5/23/2020 7:35 PM
29	ISC is easy to social distance in the stands - but unsure about other locations	5/23/2020 7:33 PM
30	May want to consider sign up for single parent observer for safe sport requirements	5/23/2020 7:32 PM

### Q5 Would you be comfortable dropping off swimmer already dressed for practice, and leaving the pool with practice attire still on?

Answered: 276 Skipped: 0

ANSWER CHOICES	RESPONSES	
Yes, I am comfortable with dropping off my swimmer already dressed for swim practice.	93.48%	258
No, I prefer that my swimmer has a place to change.	6.52%	18
TOTAL		276

#	OTHER (PLEASE SPECIFY)	DATE
1	If before school; after school needs a changing room	5/25/2020 2:22 PM
2	NA	5/24/2020 9:38 AM
3	It's not the parents you need to be focused on controlling--they can wear a face mask--it's the swimmers in the water.	5/24/2020 9:07 AM
4	It is getting warm and it is comfortable for my child to be dropped in swimsuit and leave in swimsuit drying up in the car.	5/23/2020 8:56 PM
5	I would prefer to change at the pool if it is safe. I drive to the pool on my own and I feel safer driving, when I am changed.	5/23/2020 7:47 PM

### Q6 Upon reopening, Santa Clara Swim Club will limit the number of swimmers in each lane. What number of swimmers per lane do you feel most comfortable with?

Answered: 275 Skipped: 1

ANSWER CHOICES	RESPONSES	
1	20.36%	56
2	37.09%	102
3	18.55%	51
4	24.00%	66
TOTAL		275

## Q7 When would you feel most comfortable returning to practice?

Answered: 275 Skipped: 1

ANSWER CHOICES	RESPONSES
When CA governor lifts shelter in place order.	9.82% 27
When SCSC has a reopening plan in place with proper safety measures.	48.73% 134
When the Covid-19 curve flattens.	4.00% 11
When there is a vaccine available.	9.45% 26
When testing for Covid-19 is widely available at any time.	2.91% 8
ASAP	18.91% 52
Other (please specify)	6.18% 17
<b>TOTAL</b>	<b>275</b>

#	OTHER (PLEASE SPECIFY)	DATE
1	curve flattened AND testing is widely available	5/26/2020 8:08 PM
2	All of the above	5/26/2020 5:29 PM
3	Santa Clara County deems it okay; Governor's order is 2nd choice	5/25/2020 2:22 PM
4	Both the governor lifts the restrictions and the club has a plan	5/25/2020 12:31 AM
5	Per PAC and USA swimming guidelines are followed at SCSC.	5/24/2020 10:21 PM
6	More than one. A very safe system in place where there is only 1 swimmer per lane alternating start points. It's difficult to maintain the required 6 ft apart otherwise. There has to be a safety procedure in place upon entering and exiting the facility, kids must wear masks if not in the pool. Designated spaces 6 feet apart for personal belongings, staggered start times and staggered end times.	5/24/2020 9:09 PM
7	I'm comfortable returning when SCSC has a safe plan in place as long as the coaches, parents, and swimmers take it seriously and abide by the policy. If it becomes a joke or politicized (like current store policies) then we will stop attending.	5/24/2020 11:43 AM
8	The only way I will let my swimmer return is if you GUARANTEE 1 swimmer per lane. When kids are on the wall, they are constantly coughing right on each other. Also, even if they were 2/lane, staggered at opposite ends, they will be breathing AT each other as they pass within that lane.	5/24/2020 9:07 AM
9	Proper safety measures and widespread testing would be great	5/24/2020 8:35 AM
10	When the cases have dropped to a very low level. We are just not sure yet.	5/24/2020 12:38 AM
11	I will use your judgement	5/24/2020 12:32 AM
12	What CA governor lifts SIP and when SCSC has a reopening plan in place with proper safety measures.	5/23/2020 11:39 PM
13	Unsure	5/23/2020 10:21 PM
14	I am comfortable when SCSC has a reopening plan with proper safety measures which includes county ability to provide widespread testing and contact tracing with temperature checks of all swimmers before entering the ISC.	5/23/2020 9:32 PM
15	Obviously, once there is a vaccine. However I feel waiting that long is unreasonable. I feel the daily number of cases needs to be on a downward trend, not just flattened, to feel comfortable.	5/23/2020 8:34 PM
16	I would say once SIP is lifted and when there is an adequate safety plan.	5/23/2020 8:12 PM
17	When SC Health dept has given permission to do so	5/23/2020 7:33 PM

## Q8 When would you be comfortable returning to swim meets with modified safety regulations?

Answered: 276 Skipped: 0

ANSWER CHOICES	RESPONSES	
As soon as meets are sanctioned.	16.30%	45
When the CDC issues guidelines for large gatherings and events.	39.13%	108
When the Covid-19 curve flattens.	3.99%	11
When there is a vaccine available.	20.29%	56
When testing for Covid-19 is widely available at any time.	2.54%	7
ASAP	12.32%	34
Other (please specify)	5.43%	15
<b>TOTAL</b>		<b>276</b>

#	OTHER (PLEASE SPECIFY)	DATE
1	Curve flattened AND testing widely available	5/26/2020 8:08 PM
2	As soon as meets are sanctioned and local authorities have granted permission	5/25/2020 2:22 PM
3	When meets have a Covid-19 safety plan in place	5/24/2020 11:47 PM
4	I hear meets might happen at the end of this year. I've starts flu and cold season. Would it really be safe? The bathrooms couldn't be used safely at a swim meet.	5/24/2020 9:09 PM
5	No, they do not need swim meets now	5/24/2020 10:32 AM
6	Following all federal and local gathering guidelines OR when a vaccine is available. Please don't be influenced by the parents who are obsessed with getting their kids back into meets. It just isn't worth it.	5/24/2020 9:07 AM
7	In the coming months given there are rules for the swimmers and spectators, which includes masks.	5/24/2020 8:56 AM
8	What the widely accepted practices are	5/24/2020 12:32 AM
9	We are OK if no spectators, just limited number of athletes, coaches and officials. The meet can be live streamed. I do not believe having spectators at this time-we all know how stubborn parents are at these meets.	5/23/2020 11:39 PM
10	Not preferred unless Conv19 is cleared	5/23/2020 10:38 PM
11	Unsure	5/23/2020 10:21 PM
12	When all participates and family have masks or mouth/nose-covering devices in place.	5/23/2020 10:04 PM
13	When CDC has guidelines for large events, when the rate of infection in the region is flattened, and when testing is readily available.	5/23/2020 8:56 PM
14	Want to know how meet is run and how safety will be ensured for everyone	5/23/2020 8:34 PM
15	When SC Health dept has given permission to do so, but with smaller intrasquad meets to start	5/23/2020 7:33 PM

### Q9 Would you be willing to travel to SCSC Morgan Hill or Milpitas site for swim practice if either site opens prior to the ISC?

Answered: 275 Skipped: 1

ANSWER CHOICES	RESPONSES	
Yes, I am comfortable traveling to Morgan Hill or Milpitas.	29.45%	81
No, I only want to attend practice in Santa Clara.	70.18%	193
TOTAL		275

#	COMMENTS	DATE
1	Maybe. Depending on travel time and traffic	5/28/2020 12:06 AM
2	Yes But it depends time of the day	5/27/2020 4:44 PM
3	I can only drop off in Santa Clara because of my work.	5/27/2020 1:07 PM
4	I might be willing to travel to Milpitas, but not Morgan Hill.	5/27/2020 10:47 AM
5	Milpitas would be preferable since it's closer. We can go to Morgan Hill but depending on the time of practice.	5/26/2020 11:37 AM
6	Would travel to Milpitas, Morgan Hill is a 60mile round-trip which is not reasonable.	5/26/2020 10:55 AM
7	Milpitas may work on weekends only.	5/26/2020 8:44 AM
8	Only Milpitas, not Morgan Hill	5/26/2020 8:35 AM
9	Milpitas may be ok for weekend if it doesnot conflict with existing classes.	5/26/2020 8:22 AM
10	Milpitas is ok but Morgan hill is out of the way	5/26/2020 8:20 AM
11	Too far away for 1-1/2 hour practice	5/25/2020 2:22 PM
12	Morgan Hill could be ok as long it is not open to the general public	5/25/2020 11:09 AM
13	Too far from our location	5/24/2020 11:33 PM
14	It's far down to drive when I have other kid with different schedules.	5/24/2020 10:21 PM
15	I would prefer not to, but understand we need to be flexible.	5/24/2020 8:38 PM
16	Milpitas only	5/24/2020 12:37 PM
17	Morgan hill is not possible. Milpitas is okay.	5/24/2020 12:31 PM
18	it's too far	5/24/2020 12:15 PM
19	traveling for practice outside of santa clara is too inconvenient.	5/24/2020 12:02 PM
20	But I am not will to drive there 4 times each week. If we can start there sooner, we would only go 2-3 times.	5/24/2020 11:43 AM
21	ISC preferred	5/24/2020 11:05 AM
22	Yes, only if you can GUARANTEE 1 swimmer per lane AND if an ISC coach is running the workout.	5/24/2020 9:07 AM
23	I would prefer we find other more local options. There are MANY. Both of the those locations are WAY TOO far away.	5/24/2020 8:56 AM
24	I'm not sure.	5/24/2020 8:38 AM
25	This is due to my tight schedule	5/24/2020 8:35 AM
26	Those locations are too far away - would spend more time in traffic getting to and from than my son would be in the pool.	5/24/2020 7:40 AM
27	Depends on days and times	5/24/2020 12:32 AM
28	My husband and I work full time. We need to practice in Santa Clara.	5/23/2020 10:59 PM
29	Maybe Milpitas	5/23/2020 10:57 PM
30	Milpitas is ok, but not Morgan Hill.	5/23/2020 9:48 PM
31	for a limited time	5/23/2020 9:13 PM
32	I would like to go ISC if I can choose because I have another kid to take care usually.	5/23/2020 9:09 PM
33	If this is temporary or occasional then it is fine, but not on an ongoing basis. The COVID-19 situation is going to be with us for months.	5/23/2020 8:56 PM
34	During summer time only	5/23/2020 8:40 PM

35	after working all day, I don't think I would be able to stay awake. And I have another swimmer.	5/23/2020 8:39 PM
36	Maybe milpitas, not Morgan hill	5/23/2020 8:12 PM
37	As a he regular coach can be there	5/23/2020 7:57 PM
38	we are full day working parents, would be hard to travel to SCSC Morgan Hill or Milpitas site	5/23/2020 7:57 PM
39	To long commute	5/23/2020 7:57 PM
40	Not Morgan Hill. Only Milpitas or Santa Clara	5/23/2020 7:53 PM
41	Not Morgan Hill but would go to Milpitas	5/23/2020 7:51 PM
42	Yes, but I definitely prefer practice at ISC	5/23/2020 7:47 PM
43	Depends on time frame. In summer, Morgan hill is a possibility, albeit a painful, and no way we could do it 4 or 5 days a week.	5/23/2020 7:45 PM

**Q10 Please provide feedback on our current dryland at home program on Zoom. Do you think your swimmer is getting value for the 50% membership dues that you are paying for this program?**

Answered: 222 Skipped: 54

#	RESPONSES	DATE
1	I would like the coaches to send out some swim sets if people have access to neighborhood pools.	5/28/2020 1:16 PM
2	Yes	5/28/2020 9:49 AM
3	Not worth for 50 % value in current exercise. Please add more value by providing the swim theory or swim form advice by your excellent coaches.	5/28/2020 12:29 AM
4	It is hard to just do drylands as a swimmer, but it is what it is given the current situation.	5/28/2020 12:06 AM
5	Yes, but I would like her in the water.	5/27/2020 5:55 PM
6	yes	5/27/2020 4:44 PM
7	No. I have a meeting at the same time and can't get her on the call.	5/27/2020 1:07 PM
8	Yes! Thank you!	5/27/2020 10:47 AM
9	Yes.	5/27/2020 12:30 AM
10	No. Dry land is never the same as in the water.	5/27/2020 12:01 AM
11	Yes	5/26/2020 8:18 PM
12	Yes, also a contribution to keep the club going	5/26/2020 8:08 PM
13	Yes.	5/26/2020 6:17 PM
14	Kind of, its keeping my swimmer in shape but theyre just workouts.	5/26/2020 5:04 PM
15	Yes	5/26/2020 4:49 PM
16	I noticed there are days the entire hour was spent talking & absolutely no workout. I understand kids/coaches should get a break but not the entire hour. If a break is needed, please cancel dryland to limit screen time. Swimmers can use the hour to go running/biking or some other outdoor activities.	5/26/2020 3:43 PM
17	yes	5/26/2020 3:40 PM
18	No, the kids are used to intense workout that can't be substituted by zoom dryland.	5/26/2020 11:37 AM
19	probably not 50% dues value, but my daughter is receiving some value here and we are not too concerned for a few more months.	5/26/2020 10:55 AM
20	Yes.	5/26/2020 9:35 AM
21	No, the Zoom work outs are not nearly intense enough, and there's hardly any cardio work!	5/26/2020 8:35 AM
22	To some extent.	5/26/2020 8:22 AM
23	No	5/26/2020 8:20 AM
24	Yes, somewhat. Not the same as being in the water but the effort is there and appreciated.	5/26/2020 8:10 AM
25	Yes, these sessions are helpful to keep them active and connected with coaches and teammates	5/26/2020 12:27 AM
26	We are satisfied with the dry land program, we don't really mind about the membership fee, still it is worth, and you guys did a really good job. ☐☐	5/25/2020 10:10 PM
27	My son said he feels the dryland zoom is good. He does supplement with some running, pushups, planks and HIIT style workouts as well.	5/25/2020 9:01 PM
28	ARE YOU Kidding? It's a joke! RESUME swimming. Government infringes on people's rights and you go along with it. If another club opens before SCSC, my child will transfer	5/25/2020 8:54 PM
29	Yes. We like the program.	5/25/2020 7:22 PM
30	Yes. I'm thankful for daily exercises my child gets from the dryland training.	5/25/2020 5:57 PM
31	Yes... he's getting the additional body workout.	5/25/2020 5:44 PM

32	It's good to keep the children exercising and conditioned. The guest instructors were really motivating. The regular instructors just count. It would be helpful if they exercised with the kids.	5/25/2020 4:12 PM
33	yes dryland via zoom is helpful	5/25/2020 2:54 PM
34	No, I don't think that my swimmer is getting the value.	5/25/2020 2:41 PM
35	Yes, acceptable value for money but not as good as swimming!	5/25/2020 2:22 PM
36	Yes, happy you have provided it. However, if my swimmers have to go to Morgan Hill when we have supported the club monetarily during this crisis and for the past 12 years, I will be livid. Especially if the only the elite swimmers are given time. I'm frankly, tired of the favoritism.	5/25/2020 12:43 PM
37	It is beneficial but the Group size is large so it is difficult to make sure the kids are doing the exercises properly. Value wise I don't think we are there yet. Work or enrichment outside the workout class would be good and having times for the kids to socialize via zoom	5/25/2020 11:09 AM
38	he is happy when talking to his coach and friends. Thanks!	5/25/2020 9:48 AM
39	I like the program, I believe it is a fair way of helping our community during this hard times.	5/25/2020 9:25 AM
40	Yes , great job to organize the zoom dryland	5/25/2020 8:29 AM
41	Yes	5/25/2020 12:31 AM
42	No, my daughter refuses to do the Zoom workouts.	5/24/2020 11:47 PM
43	50% timing with 30-50% results depending kid's focus level. Hard to focus as much as they are in the water	5/24/2020 11:33 PM
44	I have no idea, but if the majority are ok, then no problem.	5/24/2020 11:23 PM
45	yes	5/24/2020 10:56 PM
46	It's just the best of the situation. I can't think of any other options at this time	5/24/2020 10:21 PM
47	yes. Thank you for all the coache's effort and dedication.	5/24/2020 9:26 PM
48	It is important to have a daily team workout on Zoom. Coaches and swimmers do their best in this extraordinary situation.	5/24/2020 9:17 PM
49	I think much more can be done. Weekly checklist of things that swimmers can Do to maintain their muscle mass and endurance. The kids could be held accountable for sending in the checked off lists with personal reflections. More can be done to make it fun with kids working together in small groups remotely. Making videos with different exercises, bike rides, hiking, etc. scavenger hunts could also be fun. Kids could work remotely in groups doing the hunt too.	5/24/2020 9:09 PM
50	I think they were, but my kids mentioned this week that they are doing the same thing each week. More variety is needed it seems like.	5/24/2020 8:38 PM
51	Absolutely. I have been very impressed by the dedication of the coaches and coordination of this organization. I appreciate the frequent intense workouts. They make a huge difference.	5/24/2020 8:36 PM
52	No	5/24/2020 6:22 PM
53	yes	5/24/2020 6:14 PM
54	Yes	5/24/2020 5:40 PM
55	yes	5/24/2020 5:11 PM
56	The coaches are doing an amazing job given the current situation. The swimmers are getting a challenging exercise routine for the most part. However there are days when the swimmers can be challenged more	5/24/2020 5:04 PM
57	Yes	5/24/2020 4:46 PM
58	Kind of. As a parent I'd prefer that my kid would have more exercises with weights than yoga, to keep muscles in shape. But I suppose coaches know better what should be done during dryland.	5/24/2020 2:55 PM
59	Nah	5/24/2020 2:48 PM

60	The coaches are trying their best, but nothing can replace actual pool time!	5/24/2020 2:41 PM
61	I do not think my swimmer is getting value because he is not spending time in the pool.	5/24/2020 2:13 PM
62	Yes dryland is very good	5/24/2020 1:38 PM
63	Yes	5/24/2020 1:35 PM
64	No. But we understand the difficulties and are willing to support the club staff as club members.	5/24/2020 1:26 PM
65	Not really	5/24/2020 12:55 PM
66	Somewhat of value	5/24/2020 12:44 PM
67	Yes	5/24/2020 12:39 PM
68	Sometimes-dancing is not enough strenuous enough. Some kids don't like dancing...	5/24/2020 12:37 PM
69	yes	5/24/2020 12:37 PM
70	Not really.	5/24/2020 12:31 PM
71	yes	5/24/2020 12:21 PM
72	It's appreciated and worthwhile, but could probably increase intensity by 10-15% for most swimmers. The varied workout is also good with some yoga, HIIT.	5/24/2020 12:02 PM
73	Not in senior 1 the drylands are way too easy	5/24/2020 11:49 AM
74	I like that she is doing something physical daily. I like that she is socializing with her swim friends and getting mentoring from her coaches. They are doing something that she likes because she willing joins every day without being told! I think we pay \$50 ish for that per month and I'm OK with that.	5/24/2020 11:43 AM
75	Of course my swimmers got the value of it. Thanks for the.SCSC.	5/24/2020 11:29 AM
76	I think the yellow group is doing great and I would like to see some form of this continue even after swim starts back up.	5/24/2020 11:09 AM
77	Yes , in my observation my swimmer is very motivated to attend the zoom practice . I also like the talks with the coaches about goals and attitude. I would like the coaches that they made the best out of the challenging situation	5/24/2020 11:05 AM
78	No	5/24/2020 10:56 AM
79	It is good to maintain some exercise, but I'm not sure if it is worth 50%.	5/24/2020 10:54 AM
80	Not so far, but is also because he has to do school via zoom It is very challenging	5/24/2020 10:47 AM
81	Yes, we are happy	5/24/2020 10:32 AM
82	Yes it is good for that price being paid	5/24/2020 10:27 AM
83	I don't think my swimmer is getting value for it although I have not seen any of the practices.	5/24/2020 10:22 AM
84	Our swimmer refuses to participate.	5/24/2020 9:55 AM
85	Not really. I want my son to go back to swim practice asap.	5/24/2020 9:46 AM
86	The hours should be adjusted to am hours when school ends. Personally, a 25% fee is fairer and reasonable since some parents have also been furloughed or laid off.	5/24/2020 9:38 AM
87	At least it's something and keeps the kids active. Effectiveness will show when they return.	5/24/2020 9:29 AM
88	Yes, the coaches are doing a great job both for presenior and yellow groups	5/24/2020 9:14 AM
89	Yes it is good	5/24/2020 9:11 AM
90	I think it's a nice program. However, I definitely do NOT think it's with 50% of dues since you can find a ton of free workouts online. The main reason I'm having my swimmer do it is for the social interaction.	5/24/2020 9:07 AM
91	No. I think the coaches should think about other ways to help the swimmers during this time. Too much wasted time on the current Zoom calls with kids misbehaving.	5/24/2020 8:56 AM

92	Yes	5/24/2020 8:55 AM
93	I believe the value is made up for with dryland and given the circumstances, SCSC coaches are doing a fine job of keeping swimmers engaged.	5/24/2020 8:51 AM
94	Somewhat.	5/24/2020 8:44 AM
95	For my older one that is waiting to move to gold, it is a bit too light. For my younger one that is still in yellow, if is ok.	5/24/2020 8:42 AM
96	Yes. Keeps kids connected with coaches and teammates.	5/24/2020 8:39 AM
97	Honestly, I appreciate the effort that the coaches have put in. My daughter looks forward to it. It's a great balance of workouts, homework, games. Excellent job with these zoom calls. Just want wait to get back into the pool!	5/24/2020 8:38 AM
98	Yes, the exercise is definitely keeping me in shape	5/24/2020 8:35 AM
99	May be.	5/24/2020 8:31 AM
100	The coaches are doing a great job at engaging the swimmers via zoom and providing a good dry land regime in the current circumstances.	5/24/2020 8:24 AM
101	Nope , he is not doing the exercises and no one is there to monitor him	5/24/2020 8:23 AM
102	Gives him structure and connection to the team. The athletic aspect is low but I'm not worried about that.	5/24/2020 7:51 AM
103	Yes, the yoga is great.	5/24/2020 7:40 AM
104	Zoom dryland training is good practice for my kids during the time of SIP. It is the only routine activity for my sons everyday. Please keep this dryland by zoom before the pool practices come back. Thanks!	5/24/2020 7:36 AM
105	Don't think so.	5/24/2020 7:21 AM
106	No. Its too easy. Actual practice time is too short!	5/24/2020 6:21 AM
107	No	5/24/2020 6:05 AM
108	yes	5/24/2020 1:33 AM
109	well, the dryland on Zoom is not efficiently	5/24/2020 1:31 AM
110	I'm good with that as I still want to support the club.	5/24/2020 12:38 AM
111	Yes	5/24/2020 12:32 AM
112	Great work & commitment from Coach Svetlana & Coach Zack.	5/24/2020 12:06 AM
113	Great!	5/24/2020 12:05 AM
114	I am not looking for any value in exchange for the membership dues. I don't mind paying the full dues, I don't think coaches and staff should get pay cuts for something that is not their fault. Having said that, yes, I like the current dryland program.	5/24/2020 12:02 AM
115	Yes, I find value in it as it provides fitness and mental break for my swimmer. My swimmer's previous coach (Logan) provided motivation to attend dryland and my swimmer particularly enjoyed the meditations.	5/23/2020 11:39 PM
116	Yes	5/23/2020 11:11 PM
117	Yes	5/23/2020 11:10 PM
118	Yes	5/23/2020 11:09 PM
119	yes	5/23/2020 11:05 PM
120	My son does not enjoy the dry land practice like he does swim practice. Also, there is not enough physical activity involved. It's not a workout.	5/23/2020 10:57 PM
121	Not really but I still appreciate it.	5/23/2020 10:52 PM
122	Yes, he enjoys it.	5/23/2020 10:51 PM

123	Ok	5/23/2020 10:43 PM
124	Not really	5/23/2020 10:38 PM
125	Yes thank you so much.	5/23/2020 10:38 PM
126	I'd expect more work out during dryland.	5/23/2020 10:28 PM
127	My child has not been able to participate in the zoom sessions, however I am happy to continue paying my 50% dues till the club can resume regular swim sessions.	5/23/2020 10:21 PM
128	I don't think so, but it is better than nothing.	5/23/2020 10:20 PM
129	No	5/23/2020 10:18 PM
130	No at all. Coaches should record the dry land practice and sent a link to families for them to do it on their on later.	5/23/2020 10:16 PM
131	That would be better if the time is longer like extending it to 1hr and 15mins or longer.	5/23/2020 10:04 PM
132	Yes	5/23/2020 9:59 PM
133	Just ok	5/23/2020 9:53 PM
134	Better than nothing.	5/23/2020 9:48 PM
135	Yes	5/23/2020 9:47 PM
136	It is better than nothing.	5/23/2020 9:46 PM
137	Yes	5/23/2020 9:46 PM
138	Not sure if we are getting value but we want to support the club and get kids a regular w/o	5/23/2020 9:45 PM
139	Kids like to see coaches and friends. Good to have some exercise, but they are ready to swim.	5/23/2020 9:44 PM
140	Yes	5/23/2020 9:40 PM
141	not sure	5/23/2020 9:35 PM
142	YES	5/23/2020 9:34 PM
143	Yes, the program is very effective.	5/23/2020 9:34 PM
144	My kids are excited to see coaches and friends but they are tired of zoom meets everyday.	5/23/2020 9:34 PM
145	Limited value. Our swimmer's primary Dryland training is being done outside of the team Dryland sessions by running and strength training using home equipment our running in the neighborhood.	5/23/2020 9:32 PM
146	No	5/23/2020 9:31 PM
147	No	5/23/2020 9:30 PM
148	We feel the coaches are doing their best. The kids are challenged by some of the exercises. Overall it has been a good experience in the absence of being able to swim.	5/23/2020 9:29 PM
149	We are thankful to the club for putting together the dryland zoom sessions! Although we feel that the cost could have been lower (as we have seen other virtual exercise programs being offered at a lower price)	5/23/2020 9:27 PM
150	Not so useful. Pls open the pool. No more zoom if there is a choice. We can't wait anymore.	5/23/2020 9:26 PM
151	Yes, she has also been walking or running daily.	5/23/2020 9:23 PM
152	No. No more than 25% would be reasonable.	5/23/2020 9:22 PM
153	The coaches are great but we are not getting 50% of membership dues.	5/23/2020 9:16 PM
154	yes, the camaraderie alone is important and the coaches are making an awesome effort	5/23/2020 9:13 PM
155	Dryland is valuable.	5/23/2020 9:11 PM
156	Yes	5/23/2020 9:09 PM

157	Yes, the coaches work very hard for dryland. We are a team and we have to be together and support each other.	5/23/2020 9:09 PM
158	Yes - could be more intensive.	5/23/2020 8:56 PM
159	Yes. Thanks for doing it.	5/23/2020 8:56 PM
160	Honestly the cost is excessive for dryland, sometimes its complicated for payment with less income due covid situation.	5/23/2020 8:54 PM
161	Not really. It's hard to get the child to go-to a virtual class.	5/23/2020 8:53 PM
162	Zoom drylands alone do not justify the 50% fee	5/23/2020 8:51 PM
163	We appreciate the coaches' effort, but it's not very engaging to my kids We are paying to support SCSC, not because we feel we are getting the value of the 50% membership dues.	5/23/2020 8:48 PM
164	yes, it is kind of expensive. But its acceptable since the coaches needs to get paid anyways.	5/23/2020 8:48 PM
165	My kids love dryland and seeing theirs friends and coaches.	5/23/2020 8:47 PM
166	It's good some work out for the swimmers	5/23/2020 8:43 PM
167	We are all for supporting SCSC. We certainly get value for the 50% membership fees.	5/23/2020 8:42 PM
168	My kids did not want to participate in zoom dryland so no	5/23/2020 8:40 PM
169	um...	5/23/2020 8:39 PM
170	Somewhat	5/23/2020 8:36 PM
171	Yes. Thank you so much for continually running the practice.	5/23/2020 8:36 PM
172	I'm a swimmer so I don't know anything about the payments. Although, I have found that I am learning the proper technique for all of these things exercises and I am grateful for that.	5/23/2020 8:35 PM
173	Not really.	5/23/2020 8:35 PM
174	I'm not sure. I think the yoga is excellent and I hope the club continues to utilize Jerome in this manner when we return. I also thought Mackenzie did an excellent job on her nutrition talk. More of those would be fantastic too. I think The dry land portion needs a bit more cardio during the main set. Stretching and strengthening are great, but cardio needs to happen too.	5/23/2020 8:34 PM
175	Not really	5/23/2020 8:34 PM
176	This dryland is a good way to keep swimmers in shape and keep them engaged. Still as there's no pool time, about 30% appears more reasonable.	5/23/2020 8:32 PM
177	It's great. Keeps kids connected and a workout is good. Keep it going.	5/23/2020 8:15 PM
178	totally yes	5/23/2020 8:15 PM
179	Not really	5/23/2020 8:14 PM
180	Yes.	5/23/2020 8:13 PM
181	My daughter does not like it at all. But it is not because of the coaches. She hasn't been attending because she is so tired of being on the computer. However, we continue to pay to support the club.	5/23/2020 8:12 PM
182	Yes	5/23/2020 8:12 PM
183	I think the zoom dry lands are ok. I would like for them to be a little harder sometimes.	5/23/2020 8:06 PM
184	I think it's helpful when the pool is not available.	5/23/2020 8:04 PM
185	No value at all	5/23/2020 8:03 PM
186	Nope; can't compare the amount of workout vs before	5/23/2020 8:03 PM
187	Somewhat. The program could've been done better including more swim oriented exercises. Such programs are widely available in web, YouTube, etc.	5/23/2020 8:02 PM
188	Probably give cardio workout on side.	5/23/2020 8:01 PM

189	It is fine. But no tik-tok dance please.	5/23/2020 8:01 PM
190	Yes	5/23/2020 8:00 PM
191	Yes he is a lot out of it.	5/23/2020 7:57 PM
192	We are very grateful to SCSC coaches for organizing and doing daily Zoom classes. It makes kids to feel they are still the team and will make returning to the pool more easier.	5/23/2020 7:57 PM
193	No	5/23/2020 7:57 PM
194	Its main value is for the social aspect, to keep the group in contact with one another. It gives the kids something to do during boring times. Yes, It's is valuable.	5/23/2020 7:56 PM
195	It's ok but I think it should be longer and more strenuous	5/23/2020 7:56 PM
196	Yes! My daughter is staying healthy and is motivated to keep fit.	5/23/2020 7:56 PM
197	The drylands are good and allow for swimmers to get a good workout at home	5/23/2020 7:56 PM
198	Not really.	5/23/2020 7:55 PM
199	Yes	5/23/2020 7:54 PM
200	Yes, I do. I think it was a great way to keep swimmers involved with teammates and a great way to provide some much needed socializing.	5/23/2020 7:54 PM
201	Yes.	5/23/2020 7:53 PM
202	Please reduce the rate. 50% is a lot.	5/23/2020 7:53 PM
203	Yes. It's wonderful that you are still trying and making it engaging for the kids.	5/23/2020 7:52 PM
204	Zoom sessions are great kids get to see each other Stephen does a great job!!!	5/23/2020 7:52 PM
205	Somewhat	5/23/2020 7:51 PM
206	Yes.	5/23/2020 7:48 PM
207	Yes, I think we are getting a lot from these Zoom sessions. The coaches help us to not only stay fit but also work on our mental strength. It is great.	5/23/2020 7:47 PM
208	No	5/23/2020 7:47 PM
209	No. My child is already on Zoom from 9-2:30 the last thing they want to do is Zoom again.	5/23/2020 7:46 PM
210	Perhaps	5/23/2020 7:45 PM
211	Not really. Dry land is motivating our kid, and she is getting stronger and more athletic. But the price is still high considering she can do the same sets without video.	5/23/2020 7:45 PM
212	It would be helpful to receive sets my child can do apart from the hour long dryland session.	5/23/2020 7:43 PM
213	Probably not but happy for the outlet	5/23/2020 7:42 PM
214	I really like Zoom dryland. They get a good workout and they see their friends.	5/23/2020 7:41 PM
215	It's fine for us, we like to support our club during this crisis.	5/23/2020 7:37 PM
216	Yes	5/23/2020 7:36 PM
217	Not really, but really appreciate the efforts from the coaches and entire club to keep the team together !	5/23/2020 7:35 PM
218	No	5/23/2020 7:35 PM
219	Good	5/23/2020 7:33 PM
220	Yes! I think it's great SCSC has kept our swimmers engaged. Keeps them feeling part of something.	5/23/2020 7:33 PM
221	Yes, we appreciate the effort but we miss the pool	5/23/2020 7:32 PM
222	Yes	5/23/2020 7:32 PM

**Q11 Please provide any additional feedback you would like to offer the Santa Clara Swim Club regarding your feelings towards reopening.**

Answered: 118 Skipped: 158

#	RESPONSES	DATE
1	Hang in there!	5/28/2020 9:49 AM
2	Please take safety measures as much as you can.	5/28/2020 12:29 AM
3	Smaller group with assigned date?	5/28/2020 12:06 AM
4	Station people to measure kids temperature ( no fever) before entering premises. Electronic log/system of kids entering and leaving.	5/27/2020 12:01 AM
5	Please enforce strict social distancing guidelines when it opens. Thanks to the coaching staff for doing dry lands in this situations and they have done good job ! So thank you !	5/26/2020 8:18 PM
6	1 swimmer per lane, and swimmer to swimmer distance on the same side of the pool is 1 lane apart.	5/26/2020 8:08 PM
7	Please look out for CDC guidelines related to opening public aquatic facilities.	5/26/2020 6:17 PM
8	Thank you so much for holding us on DryLand practice! But it is not enough:) I think, my son need more Intensive exercises to keep a shape! And please, make HomeWork to running !!!	5/26/2020 4:49 PM
9	Coaches should check if kids are sick or have a temperature. SCSC swimmers are notorious about attending practices even when they were sick way before covid started.	5/26/2020 3:43 PM
10	As you plan on reopening considering the safety and benefits of the kids in this sport, I trust that you will treat all senior groups fairly and not don't ignore the fact that the kids in the lower group have the same needs as the higher group.	5/26/2020 11:37 AM
11	Would love to see some level of swimming again as soon as you have procedures in place.	5/26/2020 10:55 AM
12	Because covid cannot be transmitted through water, especially chlorinated water, I think the swim club could at least have half the swimmers come every other day to limit numbers, but open ASAP.	5/26/2020 8:35 AM
13	My kid really misses swimming and want to get back to it , however as a parent we are worried through the Pandemic and health and safety comes first, if there is life swimming can always be resumed, other way around is a scary and not worth taking the risk . We would like to thank SCSC for all the effort in keeping swimmers active through this pandemic. Thank you	5/26/2020 12:27 AM
14	I trust that the SCSC will come up with a solution where safety and health are a priority for our athletes. Thank you. My child misses the pool so much.	5/25/2020 9:01 PM
15	REFUND everything! Zoom swimming is pathetic. And again, if any club in our area opens before SCSC, my child is out	5/25/2020 8:54 PM
16	We feel as long as we can limit the capacity (e.g. limit the number of swimmer in each lane) we should reopen ASAP.	5/25/2020 7:22 PM
17	Regarding #6, if two swimmers on each lane will be on the opposite side of the land, the risks will be minimal.	5/25/2020 5:57 PM
18	Staggered Group for each time to maximize pool capacity.	5/25/2020 5:44 PM
19	If you re- open, to give those who are not ready to come back the option to do so when it is safer.	5/25/2020 4:12 PM
20	The swimmer might not show symptoms of illness but could spread the virus to older people in the household. A plan for testing seems essential--no one likes wearing masks inside their homes	5/25/2020 2:22 PM
21	See above	5/25/2020 12:43 PM
22	Safety is a big concern obviously. We need to make sure anyone attending practices is covid free - which means regular testing for staff and athletes. Children of families with members who are traveling or in essentials roles where they may be exposed to the virus probably should not be attending. How do we know someone isn't sending their child to practice when someone is sick at home? We know several families in the club that we're not social distancing and illegally renting out pools by the hour at multiple locations during the current shelter in place.	5/25/2020 11:09 AM
23	maintain social distance	5/25/2020 9:48 AM

24	During these hard times, we are always unsure about what needs to be done. I would be most comfortable if we come back at fall if school opens.	5/25/2020 9:25 AM
25	Looking forward to it	5/25/2020 8:29 AM
26	The swimmers would need to be assigned lanes so the same swimmers are always in the lane together	5/25/2020 12:31 AM
27	Please hurry up and get our kids back in the pool! The pool is outside, is chlorinated, and with basic rules and changes in place would be much safer than Walmart, Home Depot, or any other inside place of business.	5/24/2020 11:47 PM
28	Kids safety is number 1 goal	5/24/2020 11:33 PM
29	Health guideline is crucial. If every aspect of it is well taken, everything should be ok, hopefully.	5/24/2020 11:23 PM
30	measure swimmers' and staff's temperature before they entering the pool and facility	5/24/2020 10:56 PM
31	Pls, keep us updated from time to time.	5/24/2020 10:21 PM
32	The safety of coaches and swimmers is the top priority.	5/24/2020 9:26 PM
33	It's time to reopen the pool with reasonable and appropriate safety measures.	5/24/2020 9:17 PM
34	Given that we still don't know enough about long term side effects of covid19, I'm not comfortable with kids gathering . New research is in the news lately with kids developing a Kawasaki-like illness, (PMID) <a href="https://www.yahoo.com/news/mom-13-old-boy-covid-165506838.html">https://www.yahoo.com/news/mom-13-old-boy-covid-165506838.html</a> . We have come this far, and although very frustrating , I wouldn't want to risk anyone's life or ability to swim later because of possible permanent heart or organ damage.	5/24/2020 9:09 PM
35	Given that there are so many unknowns that we are dealing with here, I am concerned about the swimmers returning to the pool	5/24/2020 5:04 PM
36	30minutes gap time between practice of different groups to reduce crowd	5/24/2020 2:55 PM
37	I'm sure that all parents want their kids to be safe, and will do everything in their power to keep them safe. If we all extend that attitude to beyond our children to all the swimmers, we can navigate through this difficult time.	5/24/2020 2:41 PM
38	SANTA CLARA SWIMMING SHOULD RE OPEN AS SOON AS POSSIBLE BECAUSE WE SWIMMERS ARE DYING WITHOUT THE POOL	5/24/2020 1:38 PM
39	Hoping practices will resume as soon as it's safe to do so.	5/24/2020 1:35 PM
40	1. No parents should be on deck 2. Measure swimmer 's temperature when they come to practice. Swimmer should report to coach when he or she is not feeling well before or after in the water. 3. Social distance needs to be executed properly.	5/24/2020 1:26 PM
41	I don't believe that transmission is very possible in the pool itself. The coaches on deck should probably be tested regularly and of course wear masks.	5/24/2020 12:55 PM
42	N/A	5/24/2020 12:39 PM
43	Please evaluate with all safety measures that are needed.	5/24/2020 12:31 PM
44	Please keep it fair and don't favor certain groups. As tempting as that is, we all need to get back to some normalcy and participate in the sport. Meet's can wait, just not a priority with so much disruption and difficulty. Ease back into things, don't try to do all at once. Focus on practice, then take the next step.	5/24/2020 12:02 PM
45	I really need my kiddo to get back in the pool. She misses it. I'm not as anxious to compete. And I'm willing to make major adjustments for the short term to support eh club and my kiddo.	5/24/2020 11:43 AM
46	Getting rid of unnecessary contacts, we are able to join the team again. And we are ready for any new policy of the SCSC.	5/24/2020 11:29 AM
47	We are looking forward to next meet :) go Santa Clara!	5/24/2020 11:05 AM
48	Appreciate efforts by SCSC to keep this going on	5/24/2020 10:27 AM
49	I don't believe it is safe until my swimmer is vaccinated. My swimmer has allergies and has also had asthma in the past. We are approaching 60 ourselves and have been v strictly sheltering in	5/24/2020 10:22 AM

place. Every and every time we go out for groceries we see people doing very foolish or risky things which makes us feel that this ~2000 per day death rate will go on and on until there's a vaccination program.

50	Better err on the side of caution.	5/24/2020 9:38 AM
51	The kids need this. For sanity. For health. For social interaction. We are willing to do anything to make this happen.	5/24/2020 9:29 AM
52	The swimmers need to swim! The club will loose a lot of talented members if not reopened ASAP. If the quarantine to return in fall - NOW is the time to swim!!!	5/24/2020 9:14 AM
53	My swimmer will not return unless you can guarantee 1 swimmer per lane or there is a vaccine. Please take into consideration how closely kids are next to each other while on the wall, and passing each other within the same lane during workout. Coughing is VERY COMMON when kids finish a set, and even having one kid per lane is risky since they will want to socialize even if social distancing is enforced. All in all, sports are not an essential activity when it comes to a life or death disease, and it's just not worth it to come back too soon or without proper policies in place to guarantee everyone's safety no matter what some in the swimming community want.	5/24/2020 9:07 AM
54	Please consider having kids of similar abilities swimming together and minimizing their exposure by keeping them with the same kids at every practice.	5/24/2020 8:56 AM
55	If SCSC implements reopening plans, it would be a good idea to have coaches/staff be on duty at deck and at the pool main entrance to ensure that all swimmers follow safety protocols and maintain social distancing rules. Swimmers should go straight into the pool after being dropped off and go out to their cars right away after practice.	5/24/2020 8:51 AM
56	Wish to open private lesson. Offer sites and slots for selection. Frequently clean up bathroom	5/24/2020 8:42 AM
57	I think we have to feel comfortable that you are all taking the health of the student first before we begin practicing in the pool. I also would like the zoom drylands to continue as they offer a secondary social distance options. Even if it's prerecorded and we can go to it on days we can go to swimming. I'm assuming swimming will not be offered every day since we have to limit the number of kids per lane. I would also like there to be some reference in the reopening to ensure kids that are sick doesn't matter with what are not allowed to enter the facilities. So a check in area. Kids should wear masks in and out and have designated bag area so they aren't touching.	5/24/2020 8:38 AM
58	It's more straightforward for the the senior swimmers and more important for them to get back in the water so take care of them first (please).	5/24/2020 8:24 AM
59	I'm sure that there is no transmission of the virus via water. So if it's manageable to bring the kids back into water with fewer kids per lane, no changing on the site/taking showers etc I would love to have him back in the water. If it's necessary I would drive him to Milpitas/Morgan Hill one a week, not more often. Meets are a big issue. The way they were before, with so many people, long waiting times, close contact to so many people, I would definitely not go. The whole structure of meets would need to be modified.	5/24/2020 7:51 AM
60	I hope the SCSC could be reopened ASAP, since my two sons are waiting for this for a long time. They miss their teammates, coaches and the pool of SCSC.	5/24/2020 7:36 AM
61	If reopened, swimmers should be tested periodically.	5/24/2020 6:21 AM
62	Focus on ensuring that all swimmers get swim time, no need to tie up precious pool space with private lessons	5/24/2020 6:05 AM
63	I think it will take several months for me to be comfortable with having my daughter doing swimming practices.	5/24/2020 12:38 AM
64	The kids need to swim, and they are in a low risk category for significant illness due to covid	5/24/2020 12:32 AM
65	ASAP	5/24/2020 12:05 AM
66	Let us not make the current unfortunate circumstances worse by rushing to reopen. Kids might be most resilient to this virus, but their parents and grandparents are not.	5/24/2020 12:02 AM
67	We are open to similar return to practice ideas as what the Nadadores in SoCal implemented. If measures are in place to keep swimmers safe, it should be reiterated to all membership so that	5/23/2020 11:39 PM

	no particular parent/groups would receive special treatment and the safety measures should be enforced.	
68	We are excited to get back to the pool!	5/23/2020 10:59 PM
69	It is really a hard decision right now. The SCSC has to consider many aspects before to make a decision. Don't be rush.	5/23/2020 10:52 PM
70	Open ASAP	5/23/2020 10:43 PM
71	SCSC shouldn't open until the virus curve is going down.	5/23/2020 10:16 PM
72	Mandatory mask wearing is proven to be very effective in eliminating local spread in many highly-populated Asian countries, and there is no reason it will fail us in Bay Area.	5/23/2020 10:04 PM
73	Open already!	5/23/2020 9:59 PM
74	older swimmers can start first. once lessons learned, younger ones can start with improved confidence	5/23/2020 9:48 PM
75	1. Anyone who enters ti the SCSC facility must wear a mask. Parents should be required to take athlete's temperature before the practice. 2. Max 2 athlete per lane at the opposite End for practice.	5/23/2020 9:46 PM
76	Are coaches going to wear masks?	5/23/2020 9:46 PM
77	We need to get back to normal. Other doctors/scientists have pointed out a different approach that should have been taken rather than locking everyone down all along.	5/23/2020 9:44 PM
78	While we eagerly look forward to our child returning to competitive swimming, health safety is paramount	5/23/2020 9:34 PM
79	We want to see kids in the pool. Back to normal practices.	5/23/2020 9:34 PM
80	Swimmers can not replace time in the water, and we need to get them back in the pool asap. However, any return to the pool needs to strictly follow all CDC/State/County guidelines and achieve proper social distancing in and out of the water and use of masks at all times when not in the water	5/23/2020 9:32 PM
81	Th safety of the swimmers is the priority and having a 6ft distancing policy would be mandatory for return	5/23/2020 9:30 PM
82	Will there be a thermal scan? How will you sanitize the deck, pool equipment and common areas?	5/23/2020 9:29 PM
83	We are hopeful that the club will reopen having the swimmers best interest in mind (physical health and mental). We truly understand the changes that the club will need to make especially for the swim schedules and we hope you will also keep the parents in mind as well.	5/23/2020 9:27 PM
84	The constant communication during the closure is appreciated.	5/23/2020 9:23 PM
85	Swimming is essential to maintaining physical and mental health.	5/23/2020 9:11 PM
86	I think everyone is way too optimistic, and rushing to open. I would rather Santa Clara err on the side of caution.	5/23/2020 9:11 PM
87	Could SCSC offer private lesson with the practice if possible?	5/23/2020 9:09 PM
88	We want to get back to swim!!!!	5/23/2020 8:56 PM
89	Here is what I would suggest: - Swimmers and coaches should maintain social distancing. If anyone is found in violation they should be asked to leave immediately and not be able to attend practice for a week. - Not allow anybody but the swimmer into the facility. - Do daily checks for swimmer temperature and symptoms. - Use wider side entrance that remain open and does not require touching doors or gates. - Encourage swimmers to use restroom at home before arriving and after leaving. - Not have locker use except for emergency restroom use. - To begin with have only one swimmer in alternate lanes with a total of 10-12 swimmer in 23 available lanes. - Move to one swimmer in every lane after 14 days if things are progressing smoothly.	5/23/2020 8:56 PM
90	On this survey, should exist an option for parents with multi athletes Hope soon we are back Thx	5/23/2020 8:54 PM

91	As much as we all want to get back to the pool, please evaluate the situation carefully. It's the health of our children we are talking about. We need to proceed with caution.	5/23/2020 8:53 PM
92	Coaches must have face coverings, swimmers must be able to follow social distancing protocols & must swim with the same limited group of fellow swimmers so any chance of infections will be contained within a small group	5/23/2020 8:51 PM
93	just let us know, when!	5/23/2020 8:39 PM
94	Before this happened, another swimmer coughed on a few boys in the group and said he wasn't even supposed to be there because his mom was under isolation for being exposed at her work. This kind of thing can not happen again! I would hope a minor suspension (miss the next practice) would be handed down as well to anyone not following the rules.	5/23/2020 8:34 PM
95	Plan in place as well as understanding who and how it will be enforced.	5/23/2020 8:34 PM
96	Thank you to all the coaches and staff for their hard work.	5/23/2020 8:15 PM
97	We have 2 swimmers in Yellow, missed our coaches and friends; and would like to start swimming no later than the beginning of June! we would like to attend a swim meet every other week in summer. GO SCSC!!!	5/23/2020 8:15 PM
98	Split the team to Small groups	5/23/2020 8:14 PM
99	I really hope we will open soon.	5/23/2020 8:06 PM
100	I think it's a very good idea to reopen the practising. My son is exited to return to the pool.	5/23/2020 8:04 PM
101	Good job all things considered.	5/23/2020 8:01 PM
102	Keep up the good work!☺	5/23/2020 8:01 PM
103	Follow USA swimming protocols for reopening . ASAP our kid needs to swim	5/23/2020 7:57 PM
104	Please reopen asap :)	5/23/2020 7:57 PM
105	N/A	5/23/2020 7:57 PM
106	Whenever we are allowed to swim, we will be there. I am more concerned about practice than meets. I would like to get him back moving in water and socializing with his swim friends. Whatever the schedule or location, I will try my best to make it.	5/23/2020 7:56 PM
107	Please consider double practices for the pre-senior group. Community and fitness clubs pools are all closed to the public for the summer. I need my daughter to be back on track like she was before the quarantine.	5/23/2020 7:56 PM
108	We are ready to get back to swimming ASAP.	5/23/2020 7:54 PM
109	We are looking forward to the reopening .	5/23/2020 7:54 PM
110	Biggest problems I see are socializing OUTSIDE the pool/locker room)And staying 6 feet apart. Meets may need to be run with touch pads and one timer per lane. Skeleton crew of volunteers /officials and no parents....	5/23/2020 7:52 PM
111	My feeling towards reopening SCSC is that I feel comfortable with safety regulations. And I think that everyone will also act responsible.	5/23/2020 7:47 PM
112	The best time to reopen is when the county and state allow it AND SCSC has a comprehensive safety plan. I suggest mini-intrasquad meets once things open. Given that SCSC is the top squad, it's enough to compete amongst ourselves and not against other teams for awhile	5/23/2020 7:45 PM
113	I do not feel that it is safe to reopen while there are still so many new cases being reported.	5/23/2020 7:43 PM
114	We are okay with any measures you take to protect our kids and staff. I know you will do a great job of doing that. One thing I would like to suggest...For the gold group: if you can pair up faster kids in the same lane, that would be great. I think it makes sense for kids of similar skill/speed to train to be in the same lane. And keep boys AND girls actually swimming together. Thanks for all that you are doing to reopen the pools ASAP!	5/23/2020 7:41 PM
115	It is extremely risky for a large number if people to train at the same time. I am worried that if SCSC opens too soon, my son and his teammates may get infected or bring the virus home.	5/23/2020 7:37 PM

116	Cannot wait to get the kids back in the water !	5/23/2020 7:35 PM
117	I love how SCSC has handled all of this. I trust that you will follow guidelines set out by Santa Clara health, and USA swim to keep everyone involved as safe as possible.	5/23/2020 7:33 PM
118	Could also consider outdoor In person dryland in groups of 12 to supplement whatever else you can get going.	5/23/2020 7:32 PM
