## Santa Clara Swim Club Scholarship Program 2020-2021

### Application for Financial Aid

The Santa Clara Swim Club seeks to assure that no young man or woman is deprived of the opportunity to participate for want of financial means. To this end, the Santa Clara Swim Club has created a limited scholarship fund to help defray the costs of Santa Clara Swim Club's membership. To assure equitable allocation of these funds, we ask that you complete the following form. The "application" is confidential and will be handled in by an executive scholarship committee and the Head Coach only to ensure your privacy. The fact that a family is receiving financial assistance will not be disclosed outside the committee and the Head Coach.

Before submitting your application, please read and be ready to adhere to the following guidelines if your application is approved.

- To stretch our funds as far as possible, the committee gives preferences to applications for partial awards. The scholarship will cover between 25-50% of the Swim Club Monthly fees and 25-100% of the yearly Swim Team fees.
- The swimmer that receives the scholarship will sign a "contract" stating that they will attend at least 75% of all practices, unless the group they register for requires a higher % of practice attendance. They are then required to follow that group's guidelines.
- All Scholarship families are required to give 55 volunteer hours per partial scholarship and 65 volunteer hours for full scholarship regardless of what group you are in.
- The swimmer is required to participate in all team fundraising events as fundraising dollars are used towards funding our scholarship program.
- Each scholarship is only good for the length of the season. Those wishing to receive the scholarship the following season must re-apply.
- Misconduct, as defined by the LSC Code of Conduct, is grounds for loss of scholarship.
