

## Chinook Aquatic Club Financial Obligations and Policies 2019-2020

- New swimmers who have not been on Chinook in a previous season can participate in workouts for two (2) weeks as a trial period.
- The initial check for the fee due at registration will be held until the end of the trial period. If the swimmer elects not to continue, the check will be returned and there is no financial obligation. If the swimmer continues, then fees apply from the day that the swimmer first started.
- Fees for new swimmers joining in mid-season will be prorated based on a ten-month training season from October 2019 through July 2020. Fees are inclusive of USA Swimming registration fee (except Red Group) and all meet entry fees for the season.

Injury, selecting other activities, or choosing not to complete the entire season does not exclude a family from full financial responsibility for the season's training fees.***
- Fees for all groups (except Red which is on a month-to-month basis) are due as six (6) equal installments – at registration, then 11/20/19, 12/20/19, 1/20/20, 2/20/20, and 3/20/20. No discount for early payment of fees.

- \*For swimmers who are competing with a high school swim team:

*If the swimmer cannot swim with Chinook during their high school swim season and their Chinook workout group requires an annual fee commitment, the swimmer can ask for a 20 percent reduction in their annual fee. This fee adjustment only applies to high-school swimming. The adjustment does not apply to any other sports or activities. This fee adjustment does not apply to monthly rate workout groups. If a swimmer chooses to participate in both Chinook and her/his high school program, then the regular fees will apply.*

- **A late fee of \$20 will be assessed for each installment that is not paid within a 20-day grace period of the respective due date. If your account is not up-to-date, your swimmer will not be able to attend trainings until your account is current.**
- Statements are **emailed** each month for accounts with a balance
- No credit or refunds given for missed workouts or portion of the season missed due to quitting the club before the end of the season, injury, or participation in other sports.
- Team apparel such as sweats, deck coats, and duffel bags/backpacks may be purchased at additional cost to the swimmer. Orders are done on-line at the beginning of the season.
- All families are required to fulfill the participation obligations for Chinook-hosted meets. An additional non-participation fee will be assessed to families unable to volunteer to help run Chinook-hosted meets. See the ***Participation Form*** for details on participation obligations for each group.
- \*\*Participation in the annual Swim-a-thon is required or a fundraising fee of \$200.00 per family. This is an important part of Chinook Aquatic Club's total financial budget for the year. Families pay this fee with the registration first payment at the beginning of the season. **If your swimmer(s) participate in the letter-writing program, you will receive a \$200 credit on your March 1 invoice.**
