

HEIDLOFF OUTREACH FUND and MEET ENTRY VOUCHER for meet entry

In an effort to promote the sport of competitive swimming and encourage diversity, PNS is establishing an Outreach Fund. The goal of the fund is to provide more swimmers with opportunities to compete by reducing some of the financial stress on their families.

The initial funding for this program was inspired by the donations received in memory of Jena Heidloff.

An outreach swimmer is any swimmer who qualifies for the free or reduced school lunch program. Outreach swimmers will receive five forms/vouchers for meet entry fees. This voucher will need to be turned in with the swimmers entry information and will be sent to the meet host in lieu of the swimmers entry fees. The meet host will then sent the voucher to the PNS Office WITH the meet summary report. In addition the meet host will deduct the total of the "voucher" entry fees from the total meet tap due to PNS.

The swimmer must actually attend the meet they entered or be liable for the total of the entry fees initially waived on the submitted voucher.

MEET ENTRY VOUCHER

As a PNS/USA swimming "outreach" swimmer you are eligible for financial assistance for Entry fees at PNS sponsored events. You are eligible to have fees waived for five meets for individual events and surcharges during the year.

When entering a swim meet turn in this form to your club along with any other entry form your club requires. This form will serve as payment for the entry fees that would normally be due.

If your Club charges an entry surcharge in addition to the meet, you will still be responsible for that fee, please check with whom you are submitting your Club's meet entries to find out.

Swimmer Name _____

Meet Name _____ Date _____

Events entered _____

Below need to be filled in by entering Club:

Total Fees (for above swimmer) due to Meet Host _____
Number of events entered X event fee, plus meet surcharge.

Directions for Entering Club: Submit this form, along with your regular entries. Include the above swimmer in your total entries then deduct the fees (from the line above) due for the above swimmer from the total amount you send to the meet host.

Directions for the Meet Host: Submit this form, along with your meet summary to the PNS office. Figure the amount due to PNS for the meet tap then deduct the amount listed above for this swimmer before sending the payment to PNS.

Any questions regarding this form should be directed to Jody Woodruff (206) 546-1036 or PKW3155@aol.com.

May not be used for deck entries.
