

Dual Sport Authorization

Dual Sport Authorization is intended for Storm Aquatics swimmers who wish to participate in extra-curricular activities (theater, choir, band) or sports outside of swimming during the normal swim season (Sept-Aug).

Because these activities often occur during our practices, we recognize that it may be difficult to participate in Storm Aquatics full-time. This form allows swimmers to participate in Storm Aquatics practices as a “dual” swimmer for 1-3 months at a discounted rate. Swimmers may also participate in Storm Aquatics meets and other events.

In order to participate as a member of Storm Aquatics under Dual Sport Authorization, a Storm Aquatics swimmer must:

- 1) Register with PNS/USA Swimming
- 2) Register with Storm Aquatics (pay Storm Aquatics registration fee)
- 3) Complete and sign the Dual Sport Authorization form
