

Leave of Absence/Suspension of Membership Policy

Families with swimmers not returning for subsequent months after initial registration or suspending for break during the seasons must notify the Office via email at office@smac.email by the 15th of the month before their suspension begins.

For example, notification must be received by January 15th in order to suspend February dues. If notification is not received in a timely manner, then the next month's training fees will be billed, and payment will be owed.
